Item 3. Source and Amount of Funds or Other Consideration

ICG purchased 403,225 shares of Common Stock (the “Shares”) directly from the Issuer in a private placement transaction on December 12, 2011 for \$500,000. This amount was paid from ICG’s general working capital, and none of the purchase price was represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities.

Item 4. Purpose of Transaction

ICG acquired the Shares to change the composition of the Issuer’s board in the belief that the Issuer and its shareholders would benefit from the diversification of the Issuer’s business. ICG intends to diversify the Issuer’s business, and may seek suitable acquisition candidates through acquisition, merger, reverse merger or other suitable business combination method and/or to restructure the Issuer into a holding company by merger into a subsidiary.

In connection with the investment, ICG obtained the right to designate one member of the Issuer's board of directors for so long as ICG beneficially owns at least 5% of the Issuer's outstanding shares of Common Stock. ICG has designated Mr. Isaac to serve on the Issuer's board. The Reporting Persons may nominate or seek to nominate additional directors to the Issuer's board of directors at its next annual meeting of stockholders, and may solicit other stockholders of the Issuer to support and vote for its nominees.

The Reporting Persons may from time to time acquire additional shares of Common Stock or other securities of the Issuer by purchase on the open market, privately or by tender offer, or dispose of any or all of the Shares in the open market or in private transactions.

Except for the foregoing, neither Reporting Person has any present plans or proposals which relate to or would result in: (1) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (2) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the issuer or any of its subsidiaries; (3) a sale or transfer of a material amount of assets of the issuer or any of its subsidiaries; (4) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (5) any material change in the present capitalization or dividend policy of the issuer; (6) any other material change in the Issuer's business or corporate structure; (7) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person; (8) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (9) a class of equity securities of the issuer becoming eligible for termination of registration pursuant to section 12(g)(4) of the Act; or (10) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer

(a) The Reporting Persons each beneficially owns 403,225 shares of Common Stock, which represents approximately 17.2% of the issued and outstanding shares of Common Stock (based upon the 2,338,378 shares of Common Stock stated to be outstanding as of December 12, 2011 by the Issuer in the Issuer's Current Report on Form 8-K filed with the SEC on December 13, 2011).

(b) Each of the Reporting Persons has the sole power to vote or direct the vote of, and the sole power to dispose or direct the disposition of, the 403,225 Shares.

(c) The Reporting Persons acquired all of the Shares within the last sixty days directly from the Issuer in a private placement transaction which closed on December 12, 2011 at a price of \$1.24 per Share.

(d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

No contracts, arrangements, understandings or relationships (legal or otherwise) exist between the Reporting Persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies. The Shares have not been pledged and are not otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over any Shares.
