Where material, such information should also be provided with respect to prior acquisitions not previously reported pursuant to this regulation. If the source of all or any part of the funds is a loan made in the ordinary course of business by a bank, as defined in Section 3(a)(6) of the Act, the name of the bank shall not be made available to the public if the person at the time of filing the statement so requests in writing and files such request, naming such bank, with the Secretary of the Commission. If the securities were acquired other than by purchase, describe the method of acquisition

The Reporting Person acquired the Common Stock using personal funds.

Item 4. Purpose of Transaction

State the purpose or purposes of the acquisition of securities of the issuer. Describe any plans or proposals which the reporting persons may have which relate to or would result in:

The Common Stock was acquired by the Reporting Person for investment purposes. The Reporting Person may acquire additional shares of Common Stock but only through purchases from time to time in the open market at prices prevailing in the market at the time of such purchases or through privately negotiated transactions at prices which may or may not be related to prices prevailing in the open market at the time of such purchases, or by a combination of open market and privately negotiated transactions. The Reporting Person's acquisition of additional shares of Common Stock is, in all cases, subject to the availability of shares at prices deemed by him to be reasonable and consistent with prudent investment criteria and to general economic circumstances. As prices and economic factors are not expected to be static, there can be no assurances that the Reporting Person will purchase additional shares of Common Stock or that he will be purchasing shares at any given time; nor can there be any prediction regarding the number of shares of Common Stock that he will own at any given time or from time to time. The

Reporting Person reserves the right to sell or otherwise dispose of any or all the shares of Common Stock the Reporting Person owns at any time or from time to time.

Generally, the Reporting Person may seek to exercise a degree of influence over the affairs of the Issuer through board representation or otherwise. The Reporting Person intends to continue to evaluate the Issuer's business affairs, financial position and prospects, as well as conditions in the securities markets and the economy generally. Based on that continuing evaluation, the Reporting Person will take such action as it deems appropriate, including, but not limited to, (i) engaging in communications with the management, board of directors and/or other shareholders of the Issuer concerning the operations and management of the Issuer and other matters and (ii) proposing additional transactions with the Issuer, including transactions that could result in a change of control of the Issuer.

The Reporting Person has no independent present plans or proposals which relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

- a. The acquisition by any person of additional securities of the issuer, or the disposition of securities of the issuer;
- b. An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the issuer or any of its subsidiaries;
- c. A sale or transfer of a material amount of assets of the issuer or any of its subsidiaries;
- d. Any change in the present board of directors or management of the issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- e. Any material change in the present capitalization or dividend policy of the issuer;
- f. Any other material change in the issuer's business or corporate structure including but not limited to, if the issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by section 13 of the Investment Company Act of 1940;
- g. Changes in the issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person;
- h. Causing a class of securities of the issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- i. A class of equity securities of the issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- j. Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer

- a. State the aggregate number and percentage of the class of securities identified pursuant to Item 1 (which may be based on the number of securities outstanding as contained in the most recently available filing with the Commission by the issuer unless the filing person has reason to believe such information is not current) beneficially owned (identifying those shares which there is a right to acquire) by each person named in Item 2. The above mentioned information should also be furnished with respect to persons who, together with any of the persons named in Item 2, comprise a group within the meaning of Section 13(d)(3) of the Act;

The Reporting Person beneficially owns 1,156,341 shares of Common Stock, which represents 17.74% of the outstanding and issued Common Stock of the Company. Of the 1,156,341 shares of Common Stock, 4,700 shares are beneficially owned by the Reporting Person as the custodian of a custodial account for the benefit of his child. In addition, the Reporting Person's spouse owns 5,561 shares of Common Stock, over which the Reporting Person disclaims beneficial ownership.

The Reporting Person disclaims the existence of a "group" within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934.

- b. For each person named in response to paragraph (a), indicate the number of shares as to which there is sole power to vote or to direct the vote, shared power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition. Provide the applicable information required by Item 2 with respect to each person with whom the power to vote or to direct the vote or to dispose or direct the disposition is shared;

The Reporting Person has sole power to vote and dispose of 1,156,341 shares of Common Stock.

- c. Describe any transactions in the class of securities reported on that were effected during the past sixty days or since the most recent filing of Schedule 13D (?40.13d-191), whichever is less, by the persons named in response to paragraph (a).

The following purchases of Common Stock were effected by the Reporting Person in the past sixty days:

If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities, a statement to that effect should be included in response to this item and, if such interest relates to more than five percent of the class, such person should be identified. A listing of the shareholders of an investment company registered under the Investment Company Act of 1940 or the beneficiaries of an employee benefit plan, pension fund or endowment fund is not required.

Please see (a) above.

e. If applicable, state the date on which the reporting person ceased to be the beneficial owner of more than five percent of the class of securities.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Describe any contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, understandings or relationships have been entered into. Include such information for any of the securities that are pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities except that disclosure of standard default and similar provisions contained in loan agreements need not be included.

The Reporting Person does not have any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option agreements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
