Item 8.01 Other Events

On July 8, 2003, Telco Billing, Inc. (“Telco”), a wholly-owned subsidiary of YP Corp (the “Company”), entered into an Exclusive Domain License Agreement (the “License Agreement”) with Onramp Access, Inc. (“Onramp”), which allowed the Company to exclusively use the domain name www.yp.com (the “Domain Name”). The Company paid Onramp \$250,000 and 100,000 shares (the “Shares”) of the Company’s common stock as consideration for this license.

Under the terms of the License Agreement, if the Company’s common stock was not trading above \$3.00 per share of common stock three years after the effective date of the License Agreement, Onramp is able to exercise an option to require the Company to purchase the Shares for \$3.00 per share. If Onramp exercises this option, it is required to convey all right, title and interest in the Domain Name to the Company.

On July 21, 2006, Onramp exercised its option and the Company will purchase the Shares from Onramp and Onramp will transfer the rights to the Domain Name to the Company. The stock purchase is being made pursuant to the Company’s stock repurchase plan that was announced on May 18, 2005.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
