NOTICE OF ACTION TAKEN BY
WRITTEN CONSENT OF STOCKHOLDERS

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY**

To the Stockholders of LiveDeal, Inc.:

This Notice and the accompanying Information Statement are being furnished to the stockholders of LiveDeal, Inc., a Nevada corporation (the "Company"), in connection with action taken by the holders of a majority of the issued and outstanding voting securities of the Company, approving, by written consent dated April 27, 2012, a Note and Warrant Purchase Agreement, dated April 3, 2012 (the "Purchase Agreement"), and the transactions contemplated thereby (collectively, the "Transaction").

Pursuant to the Purchase Agreement, Isaac Capital Group, LLC, a Delaware limited liability company ("ICG"), agreed to purchase for cash up to \$2,000,000 in aggregate principal amount of Subordinated Convertible Notes ("Convertible Notes") to be issued by the Company. The Company will use the proceeds of the Convertible Notes for working capital and other general corporate purposes. The terms of the Purchase Agreement and Convertible Notes also provide that, subject to certain conditions, (i) the Convertible Notes may be converted into shares of the Company's common stock at the election of either ICG or the Company, and (ii) upon any such conversion, ICG will be issued warrants to purchase additional shares of the Company's common stock. The terms and conditions of such conversion features and warrant issuances, and certain other terms and conditions of the Transaction, are described in the attached Information Statement. Pursuant to Rule 14c-2(b) promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), certain aspects of the Transaction that are subject to stockholder approval will not take effect until the 20th calendar day after the attached Information Statement is delivered to all stockholders of the Company that did not execute the written consent described above.

The purpose of this Information Statement is to notify our stockholders that, on April 27, 2012, as required by NASDAQ Listing Rules (which require shareholder approval in connection with certain aspects of the Transaction), the holders of 1,612,899 shares of common stock (representing approximately 68.8% of the 2,345,503 issued and outstanding shares of common stock as of such date) executed a written consent approving and authorizing the Purchase Agreement and the Transaction. The written consent that we received constitutes the only stockholder approval required in connection with the Transaction under Nevada law and applicable NASDAQ Listing Rules. As a result, no further action by any other stockholder is required to approve the Purchase Agreement or the Transaction, and we have not and will not be soliciting your approval of the Purchase Agreement or the Transaction. The attached Information Statement, which is being furnished to you by the Company's board of directors pursuant to applicable law and the requirements of the Exchange Act, contains additional information about the Purchase Agreement and the Transaction.

Your vote or consent is not requested or required to approve these matters. **We are not asking you for a proxy and you are requested not to send us a proxy.** The accompanying Information Statement is provided solely for your information.

By order of the Board of Directors,
/s/ Jon Isaac

INFORMATION STATEMENT

**WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY**

GENERAL INFORMATION

This Information Statement is being furnished by the board of directors of LiveDeal, Inc., a Nevada corporation (“we,” “us,” “LiveDeal” or the “Company”), in connection with certain action taken by the written consent of holders of approximately 68.8% of the issued and outstanding shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”), and is being delivered to inform you of the corporate actions described herein before they take effect, in accordance with Rule 14c-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). We are mailing this Information Statement to the Company’s stockholders on or about May 21, 2012.

Why am I receiving this Information Statement?

The purpose of this Information Statement is to notify our stockholders that, on April 27, 2012, as required by NASDAQ Listing Rules, the holders of 1,612,899 shares of Common Stock (representing approximately 68.8% of the 2,345,503 issued and outstanding shares of Common Stock as of such date) executed a written consent approving and authorizing a significant investment transaction involving the Company. This Information Statement contains information about that transaction, as well as the action that was taken by written consent.

What did the investment transaction involve? What were the material terms?

On April 3, 2012 (the “Closing Date”), the Company and Isaac Capital Group LLC (“ICG”) entered into a Note and Warrant Purchase Agreement (the “Purchase Agreement”), a copy of which is attached to this Information Statement as Annex A, pursuant to which ICG agreed to purchase for cash up to \$2,000,000 in aggregate principal amount of Subordinated Convertible Notes (“Convertible Notes”) to be issued by LiveDeal. An initial Convertible Note in the principal amount of \$250,000 was issued to ICG on the Closing Date. Additional Convertible Notes in an aggregate principal amount of up to \$1,750,000 may be issued to ICG from time to time by LiveDeal for a period of one (1) year following the Closing Date upon notice to ICG, provided that each Convertible Note must be in a principal amount of at least \$100,000. The Company will use the proceeds of the Convertible Notes for working capital and other general corporate purposes. Collectively, the transactions contemplated by the Purchase Agreement are sometimes referred to in this Information Statement as the “Transaction.”

The Purchase Agreement and the Convertible Notes, which are unsecured, provide that all amounts payable by LiveDeal to ICG under the Convertible Notes will be due and payable on April 3, 2013 (the “Maturity Date”), provided that LiveDeal has the option in its discretion to extend the Maturity Date by up to one (1) year if no Event of Default (as defined in the Purchase Agreement) has occurred and is continuing, and LiveDeal is in material compliance with its agreements and covenants under the Purchase Agreement and the Convertible Notes, as of the Maturity Date.

The Convertible Notes also provide for the following terms and conditions:

- LiveDeal will pay an annual interest rate equal to 8% on the unpaid principal balance of each Convertible Note from its date of issuance. All interest will be payable on the Maturity Date or upon the conversion of the applicable Convertible Note, as described below. LiveDeal also has the option to prepay each Convertible Note, in whole or in part, at any time without premium or penalty.

- Either LiveDeal or ICG may elect at any time to cause the immediate conversion of all or any portion of any Convertible Note (including all principal and accrued but unpaid interest relating thereto) into that number of shares of Common Stock, as is obtained by dividing the dollar amount of the principal and accrued but unpaid interest payable under the applicable Convertible Note by the applicable Conversion Price (the "Conversion Shares"). Subject to adjustment, the "Conversion Price" with respect to each Convertible Note will be an amount equal to 60% of the lesser of (i) the closing bid price of the Common Stock on the Closing Date or (ii) the 10-day weighted average closing bid price of the Common Stock for the 10 business days immediately preceding the date on which LiveDeal or ICG (as applicable) provides notice of conversion with respect to the applicable Convertible Note.
- The Convertible Notes provide that, upon the occurrence of any Event of Default, all amounts payable to ICG will become immediately due and payable by LiveDeal, without any demand of or notice to LiveDeal.

The Purchase Agreement contains customary representations, warranties and covenants of the parties, including affirmative and negative covenants of LiveDeal. Among other things, LiveDeal (i) is required to provide certain financial and other information to ICG from time to time, (ii) must maintain its corporate existence, business, assets, properties, insurance and records in accordance with the requirements set forth in the Purchase Agreement, (iii) with certain exceptions, must not incur or suffer to exist any liens or other encumbrances with respect to its property or assets, (iv) must not make certain loans or investments except in compliance with the terms of the Purchase Agreement, and (v) must not enter into certain types of transactions, including dispositions of LiveDeal's assets or business.

The Purchase Agreement also defines certain Events of Default, including (among other things) (i) LiveDeal's failure to make any payment required under the Convertible Notes when due (subject to a three-day cure period), (ii) LiveDeal's failure to comply with its covenants and agreements under the Purchase Agreement, the Convertible Notes and other transaction documents and (iii) the occurrence of a change of control with respect to LiveDeal.

Pursuant to the Purchase Agreement, in connection with the conversion of any Convertible Note into Conversion Shares, LiveDeal will issue to ICG a warrant to purchase that number of shares of Common Stock equal to the applicable number of Conversion Shares (subject to adjustment). Each such warrant will be exercisable for a period of five (5) years following the date of its issuance at an exercise price equal to a 20% premium to the Conversion Price of the applicable Convertible Note (subject to adjustment). The warrants provide that they may be exercised in whole or in part and also include a cashless exercise feature.

LiveDeal was not required to pay any due diligence, origination or other fees to ICG in connection with the transactions described above.

What corporate action has been taken with respect to the Purchase Agreement and the Transaction?

On March 30, 2012, the Company's board of directors (i) approved and authorized the Company's entry into the Purchase Agreement and consummation of the Transaction, (ii) recommended that the Company's stockholders approve the Purchase Agreement and the Transactions in accordance with applicable NASDAQ Listing Rules, and (iii) expressly approved and authorized stockholder action by written consent in connection with such recommendation, as required by the Company's Amended and Restated Articles of Incorporation.

On April 27, 2012, the holders of 1,612,899 shares of Common Stock (representing approximately 68.8% of the 2,345,503 issued and outstanding shares of Common Stock as of such date) executed a written consent approving and authorizing the Purchase Agreement and the Transaction. Pursuant to applicable law and NASDAQ Listing Rules, such written consent constituted all of the stockholder action required to approve the Purchase Agreement and the Transaction. As a result, no further action by any other stockholder is required to approve the Purchase Agreement or the Transaction, and we have not and will not be soliciting your approval of the Purchase Agreement or the Transaction. A copy of the Action by Written Consent is attached to this Information Statement as Annex B.

Why was stockholder approval required in connection with the Transaction?

We are subject to the NASDAQ Stock Market's Listing Rules because our Common Stock is currently listed on the NASDAQ Capital Market. Pursuant to NASDAQ Listing Rule 5635(d), shareholder approval is required prior to the issuance of securities in connection with a transaction other than a public offering involving: (i) the sale, issuance or potential issuance of common stock (or securities convertible into or exercisable for common stock) at a price less than the greater of book or market value which together with sales by officers, directors or substantial shareholders of the company equals 20% or more of common stock or 20% or more of the voting power outstanding before the issuance; or (ii) the sale, issuance or potential issuance of common stock (or securities convertible into or exercisable common stock) equal to 20% or more of the common stock or 20% or more of the voting power outstanding before the issuance for less than the greater of book or market value of the stock.

As described above, the Transaction involves the potential issuance by the Company of up to \$2,000,000 in aggregate principal amount of Convertible Notes. If all such Convertible Notes are issued by the Company and subsequently converted into Conversion Shares, and if the corresponding warrants issued by the Company upon such conversion(s) are exercised by ICG, the Transaction could result in the sale and issuance of Common Stock equal to 20% or more of the Common Stock outstanding before the Closing Date for less than the greater of book or market value of the Common Stock. Therefore, we sought the written consent of our stockholders holding at least a majority of the issued and outstanding shares of our Common Stock for the approval of the Purchase Agreement and the Transaction.

Pursuant to Rule 14c-2(b) promulgated under the Exchange Act, certain aspects of the Transaction that are subject to stockholder approval (including, without limitation, ICG's ability to convert the Convertible Notes into Conversion Shares and/or exercise any warrants to be issued in connection with such conversion(s)) will not take effect until the 20th calendar day after this Information Statement is delivered to all stockholders of the Company that did not provide their written consent in connection with the Purchase Agreement and the Transaction.

Can I dissent or exercise rights of appraisal?

Neither Nevada law nor LiveDeal's Restated Articles of Incorporation or Amended and Restated Bylaws provide our stockholders with dissenters' or appraisal rights in connection with the Company's entry into the Purchase Agreement or consummation of the Transaction.

THE TRANSACTION

Overview

On the Closing Date, the Company and ICG entered into the Purchase Agreement. Pursuant to the Purchase Agreement, ICG agreed to purchase for cash up to \$2,000,000 in aggregate principal amount of Convertible Notes. The Company will use the proceeds of the Convertible Notes for working capital and other general corporate purposes.

The Purchase Agreement and the Convertible Notes, which are unsecured, provide that all amounts payable by LiveDeal to ICG under the Convertible Notes will be due and payable on the Maturity Date, provided that LiveDeal has the option in its discretion to extend the Maturity Date by up to one (1) year if no Event of Default (as defined in the Purchase Agreement) has occurred and is continuing, and LiveDeal is in material compliance with its agreements and covenants under the Purchase Agreement and the Convertible Notes, as of the Maturity Date.

As described in more detail below, such Convertible Notes may be converted into shares of Common Stock at the election of either the Company or ICG for an amount equal to 60% of the lesser of (i) the closing bid price of the Common Stock on the Closing Date or (ii) the 10-day weighted average closing bid price of the Common Stock for the 10 business days immediately preceding the date on which LiveDeal or ICG (as applicable) provides notice of conversion with respect to the applicable Convertible Note.

In connection with any conversion(s) of Convertible Notes, LiveDeal will issue to ICG a warrant to purchase that number of shares of Common Stock equal to the applicable number of Conversion Shares (subject to adjustment). Each such warrant will be exercisable for a period of five (5) years following the date of its issuance at an exercise price equal to a 20% premium to the Conversion Price of the applicable Convertible Note (subject to adjustment). The warrants provide that they may be exercised in whole or in part and also include a cashless exercise feature.

An initial Convertible Note in the principal amount of \$250,000 was issued to ICG on the Closing Date. Additional Convertible Notes may be issued to ICG in the aggregate principal amount of \$1,750,000 for a period of one (1) year following the Closing Date; provided, however, that each Convertible Note must be in a principal amount of at least \$100,000.

- to pay its debts, obligations, and taxes when due;

- purchase, acquire or lease any property from, or sell, transfer or lease any property to any Affiliate (as defined in the Purchase Agreement);
- terminate or withdraw from any plan defined in Section 4021(a) of ERISA in respect of which LiveDeal or any of its subsidiaries is an "employer" or a "substantial employer" as defined in Sections 3(5) and 4001(a)(2) of ERISA, respectively, so as to result in any material liability of LiveDeal or any of its subsidiaries to the PBGC pursuant to Subtitle A of Title IV of ERISA or material liability of LiveDeal or any of its subsidiaries to such plan;
- engage, or permit any subsidiary to engage, in any "prohibited transaction" (as defined in Section 4975 of the Code) involving any such plan which would result in a material liability for an excise tax or civil penalty in connection therewith; incur or suffer to exist, or permit any Subsidiary to incur or suffer to exist, any material "accumulated funding deficiency" (as defined in Section 302 of ERISA), whether or not waived, involving any such plan; incur, or permit any Subsidiary to incur, any withdrawal liability in connection with a "complete withdrawal" or a "partial withdrawal", as defined in Sections 4203 and 4205, respectively, of ERISA, with respect to any multiemployer plan as defined in Section 3(37) of ERISA;

- the default in the performance of any term, covenant, agreement, condition, undertaking or provision of the Transaction Documents or any other agreement or instrument executed and delivered in connection with the transactions contemplated in the Purchase Agreement, and such default is not cured or waived within 30 days after LiveDeal receives notice of such default from ICG or from a third party;

- the occurrence of any event of a type described in Section 4043(b) of ERISA with respect to, or any proceedings are instituted by the PBGC to have a trustee appointed to administer or to terminate, any plan referred to in the Purchase Agreement, of LiveDeal or any of its subsidiaries, which event or institution of proceedings is, in the reasonable opinion of ICG, reasonably likely to result in a termination of such plan and to have a material adverse effect upon the business, operations, assets or financial condition of LiveDeal and its subsidiaries as a consolidated entity, or the appointment of a trustee by a United States District Court to administer any such plan with vested unfunded liabilities that are material in relation to the business operations, assets or financial condition of LiveDeal and its subsidiaries as a consolidated entity;
- LiveDeal or any Guarantor:
 - commences any case, proceeding or other action (i) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, seeking to adjudicate it bankrupt or insolvent, seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (ii) seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets;

The Convertible Notes

An initial Convertible Note in the principal amount of \$250,000 was issued to ICG on the Closing Date. Additional Convertible Notes may be issued to ICG in the aggregate principal amount of \$1,750,000 for a period of one (1) year following the Closing Date; provided, however, that each Convertible Note must be in a principal amount of at least \$100,000. Set forth below is a summary of certain material terms of the Convertible Notes. For more information, refer to Exhibit A attached to the Purchase Agreement (Annex A to this Information Statement).

Maturity

The Convertible Notes are unsecured and, unless otherwise converted, mature on the one year anniversary of the date of each Convertible Note (the “Maturity Date”), at which time all of the outstanding principal and accrued but unpaid interest will be due and payable; provided, however, LiveDeal may, in its sole and absolute discretion, extend the Maturity Date by up to one (1) additional year in the event that no Event of Default has occurred and LiveDeal is in material compliance with its agreements and covenants pursuant to the Transaction Documents. No installments of principal or interest will be due prior to maturity absent an Event of Default.

Interest

Interest accrues on the Convertible Notes at a rate equal to 8% per annum, which shall be payable upon the Maturity Date unless otherwise converted.

Prepayment

LiveDeal may prepay the principal of the Convertible Notes, together with accrued but unpaid interest, in whole or in part, at any time without premium or penalty.

Subordination

The Convertible Notes shall be subordinated and subject in right to the prior payment in full of all outstanding obligations under the Existing Loan Agreement (as defined in the Purchase Agreement).

Conversion

Either LiveDeal or ICG may convert any portion of the outstanding principal and accrued but unpaid interest on such Convertible Note into that number of shares of Common Stock, calculated by dividing the dollar amount of the principal and accrued but unpaid interest payable under the applicable Convertible Note by the applicable Conversion Price (the “Conversion Shares”). Subject to adjustment, the “Conversion Price” with respect to each Convertible Note will be an amount equal to 60% of the lesser of (i) the closing bid price of the Common Stock on the Closing Date or (ii) the 10-day weighted average closing bid price of the Common Stock for the 10 business days immediately preceding the date on which LiveDeal or ICG (as applicable) provides notice of conversion with respect to the applicable Convertible Note.

Events of Default

The occurrence of any Event of Default under the Purchase Agreement shall constitute an “Event of Default” under each Convertible Note. Upon the occurrence of any Event of Default, ICG may exercise all rights and remedies available to it under any or all of the Transaction Documents, including accelerating the entire outstanding balance of the principal and accrued and unpaid interest.

Guaranty

The obligations of LiveDeal under the Convertible Notes are guaranteed by the Guarantors.

The Warrants

Pursuant to the Purchase Agreement, in connection with the conversion of any Convertible Note into Conversion Shares, LiveDeal will issue to ICG a warrant to purchase that number of shares of Common Stock equal to the applicable number of Conversion Shares (subject to adjustment). Each such warrant will be exercisable for a period of five (5) years following the date of its issuance at an exercise price equal to a 20% premium to the Conversion Price of the applicable Note (subject to adjustment). The warrants provide that they may be exercised in whole or in part and also include a cashless exercise feature. For more information, refer to Exhibit C attached to the Purchase Agreement (Annex A to this Information Statement).

Effects of the Transaction

Pursuant to the Purchase Agreement and the other Transaction Documents, we may issue in the future a substantial number of shares of Common Stock, resulting in the increase in the total number of shares of Common Stock issued and outstanding. Such issuances would dilute our existing stockholders. The extent of such dilution (if any) will depend on a number of factors, including (without limitation) (i) the actual principal amount of Convertible Notes actually issued pursuant to the Purchase Agreement, (ii) the extent to which such Convertible Notes are converted into Conversion Shares (and the Conversion Price at which such conversions, if any, occur), and (iii) the extent to which any warrants issued to ICG in connection with such conversions (if any) are ultimately exercised for shares of Common Stock.

Assuming for illustrative purposes only that (i) all \$2,000,000 in aggregate principal amount of Convertible Notes are actually issued pursuant to the Purchase Agreement, (ii) all such Convertible Notes (without taking into account any accrued interest) are converted into Conversion Shares at a Conversion Price based on the \$4.12 per share closing price of the Company’s common stock on the Closing Date, and (iii) all warrants issued to ICG in connection with such conversions are exercised, approximately 1,619,433 shares of common stock (or 39.0%) would be issued to ICG as a result of such transactions in exchange for aggregate cash proceeds of \$4,400,000 (less any interest paid under the terms of the Convertible Notes). After giving effect to such issuances, ICG would hold a total of 2,022,658 shares (or 48.7%) of the Company’s issued and outstanding common stock, representing a total investment of \$4,900,000 including the \$500,000 in cash that ICG paid for the 403,225 shares of common stock that it purchased in December 2011.

INTERESTS OF CERTAIN PERSONS

Jon Isaac, who is the Company's President and Chief Executive Officer in addition to being a member of our board of directors, is also the managing member and principal owner of ICG. As such, Mr. Isaac has a significant financial interest in the Transaction. Tony Isaac, who is related to Jon Isaac, is also a director of the Company. As of April 27, 2012, ICG also held 403,225 shares of Common Stock, representing approximately 17.2% of the Company's issued and outstanding Common Stock as of such date. To the extent that a significant number of shares of Common Stock are issued to ICG in the future pursuant to the terms of the Convertible Notes and/or warrants, ICG's proportionate ownership of the Company could increase, giving ICG and the Isaacs additional influence with respect to the business strategy and day-to-day operations of the Company.

All material facts with respect to the Isaacs and their interests in the Transaction have been disclosed or are known to the Company's board of directors, and the disinterested members of the board of directors approved the Transaction following such disclosure.

Percentage of ownership is based on 2,345,503 shares of Common Stock outstanding on April 27, 2012. The information as to beneficial ownership was either (y) furnished to us by or on behalf of the persons named or (z) determined based on a review of the beneficial owners' Schedules 13D/G and Section 16 filings with respect to our Common Stock. All interest on each Note shall be payable in cash on the Maturity Date or upon prepayment in full or conversion of such Note. Notwithstanding anything to the contrary in this Agreement or the Notes, the Maturity Date may be extended for up to one (1) year at the option of the Company in the event that no Event of Default has occurred and is continuing, and the Company is in material compliance with its agreements and covenants hereunder and under the Notes, as of the Maturity Date.

1.2 Subsequent Issuance of Notes. Purchaser hereby agrees, for a period of one (1) year from the date hereof, upon at least three (3) Business Days advance written notice from the Company, to purchase from the Company for cash, additional Notes (each a “Subsequent Purchase”) in an aggregate principal amount of up to \$1,750,000; provided, however, that no Subsequent Purchase shall be in an amount that is less than \$100,000. Each of the Company and the Purchaser acknowledges and agrees that this Agreement and the issuance of the Warrants hereunder in connection with the Notes does not create original issue discount on the Notes other than that indicated by the allocation of the purchase price provided above, for accounting or federal income tax purposes, and they agree to adhere to this Agreement for such purposes and not to take any action inconsistent herewith.

Section 3. Representations and Warranties.

In order to induce the Purchaser to purchase the Notes and Warrants, the Company hereby represents and warrants to, and agrees with, the Purchaser and its respective successors, endorsees and assigns that, as of the date hereof with respect to the Initial Purchase and as of the date of each Closing for each Subsequent Purchase that, except as set forth in the Disclosure Reports:

3.10 No Defaults; Adverse Changes. Neither the Company nor any of its Subsidiaries is, or immediately after the Closing Date will be, in default under or in violation of (a) its Organizational Documents, (b) except for the Existing Loan Agreement, any agreement or instrument to which it is a party or will then be a party, (c) any statute, rule, writ, injunction, judgment, decree, order or regulation of any court or governmental authority having jurisdiction over it, or (d) any license, permit, certification or approval requirement of any customer, supplier, governmental authority or other person, in any way that, in the case of (b), (c) or (d) above, could reasonably be expected to have a Material Adverse Effect. Section 9. Investment Representation. Section 11. Judicial Proceedings.

11.1 Each of the parties hereto irrevocably and unconditionally agrees to be subject to the exclusive jurisdiction of any Arizona State or Federal court sitting in the City of Phoenix over any suit, action or proceeding arising out of or relating to this Agreement or any of the Notes, Warrants or other Transaction Documents. To the fullest extent it may effectively do so under applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

11.2 The Company agrees, to the fullest extent they may effectively do so under applicable law, that a judgment in any suit, action or proceeding of the nature referred to in Section 11.1 brought in any such court shall, subject to such rights of appeal on issues other than jurisdiction as may be available, be conclusive and binding upon the Company and may be enforced in the courts of the United States of America or the State of Arizona (or any other courts to the jurisdiction of which the Company is or may be subject) by a suit upon such judgment.

11.3 Each of the parties hereto hereby irrevocably and unconditionally agrees (1) to the extent such party is not otherwise subject to service of process in the State of Arizona, to appoint and maintain an agent in the State of Arizona as such party's agent for acceptance of legal process, and (2) that, to the fullest extent permitted by applicable law, service of process may also be made on such party by prepaid certified mail with a proof of mailing receipt validated by the United States Postal Service constituting evidence of valid service, and that service made pursuant to (1) or (2) above shall, to the fullest extent permitted by applicable law, have the same legal force and effect as if served upon such party personally within the State of Arizona.

11.4 Nothing in this Section 11 shall affect the right of any of the Purchaser to serve process in any manner permitted by law, or limit any right that any of the Purchaser may have to bring proceedings against the Company in the courts of any jurisdiction or to enforce in any lawful manner a judgment obtained in one (1) jurisdiction in any other jurisdiction.

11.5 THE COMPANY HEREBY EXPRESSLY WAIVES ANY RIGHTS IT MAY HAVE NOW OR HEREAFTER TO A JURY TRIAL IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE NOTES, THE WARRANTS OR THE OTHER TRANSACTION DOCUMENTS.

11.6 Upon breach or default by the Company with respect to any obligation hereunder, under the Notes, the Warrants or other Transaction Documents, the Purchaser (or their agents) shall be entitled to protect and enforce their rights at law, or in equity or by other appropriate proceedings for specific performance of such obligation, or for an injunction against such breach or default, or in aid of the exercise of any power or remedy granted hereby or thereby or by law.

The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Purchaser, or any of them, would otherwise have. No notice to or demand on the Company in any case shall entitle the Company to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Purchaser, or any of them, to take any other or further action in any circumstances without notice or demand.

12.3 No Oral Changes; Assignment; Survival of Representations. This Agreement may not be changed or terminated orally. This Agreement shall be binding upon the Company and the Purchaser and its successors and assigns. The rights and obligations of the Indemnifying Parties under this Section 12.6 shall survive and continue to be in full force and effect notwithstanding the Notes or the Warrants not having been purchased, the repayment of the Notes, the expiration or repurchase of the Warrants or Warrant Shares and the termination of this Agreement. The Indemnifying Parties shall not be liable to the Indemnified Parties for any punitive, exemplary or consequential damages as a result of the transactions contemplated by this Agreement or the Transaction Documents.

12.8 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

LIVEDEAL, INC.

SENIOR SUBORDINATED CONVERTIBLE NOTE

U.S. \$250,000.00

Date of Issuance: April 3, 2012

FOR VALUE RECEIVED, LiveDeal, Inc., a Nevada corporation ("Company"), hereby promises to pay to the order of Isaac Capital Group LLC, a Delaware limited liability company ("Purchaser"), the aggregate principal sum of at least Two Hundred and Fifty Thousand and No/100 Dollars (\$250,000.00) (as may be increased from time to time in accordance with Section 1.2, the "Principal") in lawful currency of the United States of America, subject to the provisions contained herein. This Senior Subordinated Convertible Note (this "Note") is one of the Notes described in the Note and Warrant Purchase Agreement dated as of April 3, 2012, by and between the Company and Purchaser (the "Note Purchase Agreement"). The Company and Purchaser shall be collectively referred to as the "Parties". Unless otherwise expressly provided in this Note, initially capitalized words or terms used in this Note shall have the meanings set forth in the Note Purchase Agreement.

**ARTICLE 1
PAYMENT**

1.1 Maturity Date. The Principal and any other amounts payable to Purchaser hereunder, shall be due and payable to Purchaser on April 3, 2013 (the "Maturity Date"); provided, however, that the Company shall have the option in its discretion to extend the Maturity Date by up to one (1) year in the event that no Event of Default has occurred and is continuing, and the Company is in material compliance with its agreements and covenants hereunder and under the Note Purchase Agreement, as of the Maturity Date.

1.2 Interest. Interest will accrue from the date hereof on the Principal amount at the rate of 8% per annum until all Obligations under this Note are paid in full or until the conversion of the Principal pursuant to Article 2 of this Note. If the Principal is not converted pursuant to Article 2 of this Note, interest shall be paid with the Principal amount and all other Obligations on the Maturity Date. If the Principal is converted pursuant to Article 2 of this Note, interest accrued through the date of conversion and all other Obligations shall be paid on the date of conversion in accordance with Article 2 of this Note.

1.3 Payment. All payments under this Note shall be made by check or wire transfer of immediately available funds and in lawful money of the United States of America at 3525 Del Mar Heights Road, Suite 765, San Diego, California 92130, or at such other place as the Purchaser may from time to time designate in writing to the Company. Payments will be credited first, to costs of collection and other charges for which the Company is responsible pursuant to this Note, second, to accrued but unpaid interest, and the remainder to Principal.

1.4 Prepayment. The Company shall have the option to prepay this Note, together with accrued but unpaid interest, in whole or in part, at any time without premium or penalty.

ARTICLE 2 CONVERSION

2.1 Right to Convert into Common Stock; Conversion Price. Subject to Section 2.5, so long as any Principal due under this Note is outstanding, pursuant to Section 2.2 below, Purchaser may elect to convert, or the Company may cause the immediate conversion of, all or any portion of the Principal and accrued but unpaid interest into that number of shares of the common stock of the Company (the “Common Stock”) as is obtained by dividing the dollar amount of the Principal and accrued but unpaid interest by the applicable Conversion Price per share of Common Stock (the “Conversion Shares”). Subject to adjustment as provided in Section 2.3 hereof, the “Conversion Price” shall be an amount equal to 60% of the lesser of (i) the closing bid price on the First Closing Date or (ii) the 10-day volume weighted average closing bid price for the Company’s common stock, in each case as listed on NASDAQ for the 10 business days immediately preceding the date of the notice of conversion.

2.2 Mechanics of Conversion.

(a) Unless earlier converted at the election of the Company pursuant to clause (b) below, Purchaser may cause the conversion of this Note by delivering to the Company an executed notice of conversion in the form attached hereto as Exhibit A (the “Notice of Conversion”).

(b) The Company may cause the conversion of this Note by delivering to Purchaser a Notice of Conversion.

(c) After delivery of the Notice of Conversion, the Company and Purchaser shall agree to a date for such conversion which, in no event, shall be later than three (3) business days following the date of the Notice of Conversion (the “Conversion Date”). On or before the Conversion Date, Purchaser shall surrender the Note for conversion and the Company shall denote in its corporate records the ownership by Purchaser of the Conversion Shares, effective as of close of business on the Conversion Date. Effective as of close of business on the Conversion Date (i) the rights of Purchaser with respect to the Principal, together with all other amounts due hereunder to Purchaser shall cease, (ii) Purchaser shall be treated for all purposes as having become the record holder of such Conversion Shares, and (iii) such conversion shall be at the Conversion Price then in effect. The issuance of Common Stock upon conversion of this Note shall be made without charge to Purchaser for any tax in respect of such issuance, and such Conversion Shares shall be issued in such names as may be directed by Purchaser.

(d) In the event of a partial conversion of this Note, all of the applicable provisions hereof shall apply in respect of the portion of this Note that is converted into Conversion Shares, and this Note shall be restated to reflect the amount that remains due and payable hereunder, which shall be subject to subsequent conversion in accordance with the terms and conditions hereof.

2.3 Adjustment of Conversion Price. Subject to Section 2.4 hereof, the Conversion Price and number and kind of Conversion Shares or other securities to be issued upon conversion determined pursuant to Section 2.1 shall be subject to adjustment from time to time upon the happening of certain events while this conversion right remains outstanding, as follows:

(a) *Merger, Sale of Assets, etc.* If Company at any time shall consolidate with or merge into or sell or convey all or substantially all its assets to any other corporation or other entity, this Note shall thereafter be deemed to evidence the right to purchase such number and kind of shares or other securities and property as would have been issuable or distributable on account of such consolidation, merger, sale or conveyance, upon or with respect to the securities subject to the conversion or purchase right immediately prior to such consolidation, merger, sale or conveyance. The foregoing provision shall similarly apply to successive transactions of a similar nature by any such successor or purchaser. Without limiting the generality of the foregoing, the anti-dilution provisions of this Section 2.3 shall apply to such securities of such successor or purchaser after any such consolidation, merger, sale or conveyance.

(b) *Reclassification.* If Company at any time shall, by reclassification or otherwise, change the Common Stock into the same or a different number of securities of any class or classes that may be issued or outstanding, this Note shall thereafter be deemed to evidence the right to purchase an adjusted

number of such securities and kind of securities as would have been issuable as the result of such change with respect to the Common Stock immediately prior to such reclassification or other change.

(c) *Stock Splits, Combinations and Dividends.* If the shares of Common Stock are subdivided or combined into a greater or smaller number of shares of Common Stock, or if a dividend is paid on the Common Stock in shares of Common Stock, the Conversion Price shall be proportionately reduced in case of subdivision of shares or stock dividend or proportionately increased in the case of combination of shares, in each such case by the ratio which the total number of shares of Common Stock outstanding immediately after such event bears to the total number of shares of Common Stock outstanding immediately prior to such event.

(d) *Share Issuance.* So long as this Note is outstanding, if Company shall issue or agree to issue any shares of Common Stock, including restricted stock, restricted stock units, or stock appreciation rights, for a consideration (or deemed price) less than the Conversion Price in effect at the time of such issue, then, and thereafter successively upon each such issue, the Conversion Price shall be reduced to such other lower issue price. For purposes of this adjustment, the issuance of any security carrying the right to convert or exchange such security into shares of Common Stock or of any warrant, right or option to purchase Common Stock shall result in an adjustment to the Conversion Price upon the issuance of the above-described security and again upon the issuance of shares of Common Stock upon exercise of such conversion or purchase rights if such issuance is at a price lower than the then applicable Conversion Price.

2.4 Adjustment Notices. Whenever the Conversion Price is adjusted as provided in Section 2.3, Company shall promptly deliver to Purchaser written notice setting forth the revised Conversion Price with a statement of facts regarding the adjustment and the computation thereof.

2.5 Limitation on Conversion Pending Stockholder Approval. This Note shall not be convertible into shares of Common Stock by Purchaser, in whole or in part, unless and until the conditions specified in Section 12.12 of the Note Purchase Agreement (relating to, among other things, stockholder approval of the transactions contemplated by the Note Purchase Agreement) have been satisfied in full.

ARTICLE 3 SUBORDINATION

3.1 Agreement to Subordinate. By signing below, each of Purchaser and the Company expressly agree, for itself and its successors and assigns, that this Note shall, to the extent and in the manner hereinafter set forth, be subordinated and subject in right to the prior payment in full of all outstanding obligations under the Existing Loan Agreement (as defined in the Note Purchase Agreement) (the "Senior Obligations").

3.2 Subordination. Upon (a) any acceleration of maturity of the Principal of this Note (but excluding any voluntary prepayment) or (b) any payment or distribution of any kind or character, whether in cash, property or securities, upon any dissolution or winding-up or total or partial liquidation, reorganization or other similar arrangement of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, then all principal, premium, if any, and interest due or to become due upon all Senior Obligations shall first be paid in full, or payment thereof provided for in accordance with the terms of the Existing Loan Agreement before any payment is made on account of the Principal, premium, if any, or interest on this Note, and upon any such dissolution or winding-up or liquidation, reorganization or other similar arrangement, any payment or distribution of any kind or character, whether in cash, property or securities, to which the Purchaser would be entitled from Company, except for the provisions hereof, shall be paid by the Company, or by a receiver, trustee in bankruptcy, liquidating trustee, agent or other person making such payment or distribution, to the Purchaser to the extent necessary to pay all Senior Obligations in full before any payment or distribution is made to the Purchaser under this Note.

3.3 Trust Property. In the event that, in violation of any of the foregoing provisions, any payment or distribution of any kind or character, whether in cash, property or securities, shall be received by the Purchaser under this Note before all Senior Obligations are paid in full, or provision for such payment in accordance with the terms of the Indenture, such payment or distribution shall be held in trust for the benefit

of, and shall be paid over or delivered to the holder of the Senior Obligations for application to the payment of all Senior Obligations remaining unpaid to the extent necessary to pay all such Senior Obligations in full in accordance with their terms.

3.4 Benefits. The foregoing subordination provisions shall be for the benefit of the holders of Senior Obligations and may be enforced by the holder of the Senior Obligations against the Purchaser; provided, however, (a) that the foregoing provisions are solely for the purpose of defining the relative rights of the holder of Senior Obligations on the one hand and the Purchaser on the other hand under this Note, and that nothing therein shall impair, as between the Company and the Purchaser, the obligation of the Company to pay to the Purchaser the Principal thereof, premium, if any, and interest thereon in accordance with the terms of this Note, nor shall anything therein prevent the Purchaser or any trustee on their behalf from exercising all remedies otherwise permitted by applicable law or thereunder upon default thereunder, subject to the rights set forth above of the holders of Senior Obligations to receive cash, property or securities, otherwise payable or deliverable to the Purchaser under this Note, (b) that upon any payment or distribution of assets of the Company of the character referred to in the third paragraph of the foregoing provisions, the trustee under any agreement relating to this Note shall be entitled to rely upon any order or decree of a court of competent jurisdiction in which such dissolution, winding up, liquidation, reorganization or other similar arrangement proceedings are pending, and upon a certificate of the receiver, trustee in bankruptcy, liquidating trustee, agent or other person making any such payment or distribution, delivered to said trustee for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of the Senior Obligations and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to the foregoing provisions, and (iii) that any trustee under any agreement relating to this Note and any paying agent therefor shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of moneys to or by such trustee or such paying agent, unless and until such trustee or such paying agent, as the case may be, shall have received notice thereof from the Company or from one or more holders of Senior Obligations.

3.5 Limitation on Amendments. The provisions of this Article 3 shall not be amended or modified without the express written consent of the holder(s) of the Senior Obligations.

ARTICLE 4 COVENANTS OF COMPANY

4.1 Payment of Principal; Conversion. The Company hereby covenants and agrees that it shall pay or cause to be paid all amounts due hereunder on the Maturity Date or, if applicable prior to the Maturity Date, the Company shall effect or cause to be effected any conversion of the Principal into Conversion Shares.

4.2 Reserves. During the period the conversion right exists, the Company shall at all times reserve and keep available, out of its authorized but unissued Common Stock, solely for the purpose of issue upon conversion of this Note, such number of shares of Common Stock as shall then be issuable upon the conversion of this Note. The Company covenants that all such shares of Common Stock shall, upon issuance, be duly and validly issued, fully paid and non-assessable.

ARTICLE 5 DEFAULT; ACCELERATION

5.1 Events of Default. The occurrence of any Event of Default under the Note Purchase Agreement shall constitute an “Event of Default” hereunder.

5.2 Acceleration.

(a) Upon the occurrence of any Event of Default, the entire outstanding balance of the Principal and any other amounts payable to Purchaser hereunder shall become immediately due and payable to Purchaser, without any demand of or notice to the Company.

(b) Upon the occurrence of any Event of Default, Purchaser may exercise all rights and remedies available to it under any or all of the Transaction Documents or otherwise and may apply any of funds of either the Company in its possession to the outstanding indebtedness under this Note.

5.3 Costs of Collection. The Company hereby, jointly and severally, agree to pay all costs of collection, including attorneys' fees and expenses, whether or not suit is filed, and all costs of suit and preparation for suit (whether at trial or appellate level), in the event any amount of the Principal or other amount owing hereunder is not paid when due, or to exercise any other right or remedy hereunder, or in the event Purchaser is made party to any claim, case, action or other proceeding because of the existence of the Principal, or if at any time Purchaser should incur any attorneys' fees or expenses in any proceeding under any federal bankruptcy law (or any similar state or federal law) in connection with the Principal.

**ARTICLE 6
GENERAL PROVISIONS**

6.1 Remedies Cumulative and Continuing. All powers and remedies of Purchaser hereunder with respect to an Event of Default shall, to the extent permitted by law, be deemed cumulative and not exclusive of any other thereof or of any other power or remedy available to Purchaser, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Note, and every power and remedy given by this Note or by applicable law to Purchaser may be exercised from time to time, and as often as shall be deemed expedient by Purchaser.

6.2 Replacement; Exchange. Upon receipt of evidence reasonably satisfactory to the Company of the ownership and the loss, theft, destruction or mutilation of this Note, the Company shall execute and deliver a new Note of like kind in lieu of and in substitution for the lost, stolen, destroyed or mutilated Note. This Note may be exchanged by surrender hereof at the office of the Company maintained for that purpose, and the Company shall execute and deliver in exchange herefor the Note or Notes which Purchaser making the exchange shall be entitled to receive.

6.3 Choice of Law. This Note shall be governed by and construed in accordance with the laws of the State of Arizona, without regard to principles of conflict of laws. The parties hereto hereby declare that it is their intention that this Agreement shall be regarded as made under the laws of the State of Arizona and that the laws of said State shall be applied in interpreting its provisions in all cases where legal interpretation shall be required.

3. Exercise Price. This Warrant may be exercised for a price per Warrant Share equal to \$[____]⁽³⁾, subject to adjustment from time to time pursuant to Section 11.

4. Registration of Warrant. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

(1) Note to Draft: Warrant to be issued as of the date of conversion of the applicable Senior Subordinated Convertible Note.

(2) Note to Draft: Number of Warrant Shares to be equal to number of shares of Common Stock into which the applicable Senior Subordinated Convertible Note was converted.

(3) Note to Draft: Exercise Price to be equal to the Conversion Price under the applicable Senior Subordinated Convertible Note *plus* 20%.

5. Registration of Transfers. Subject to the Holder's appropriate compliance with the restrictive legend on this Warrant, the Company shall register the transfer of any portion of this Warrant in the Warrant Register, upon surrender of this Warrant, with the Form of Assignment substantially in the form attached hereto as Attachment B duly completed and signed, to the Company at its address specified herein. Upon any such registration or transfer, a new Warrant to purchase Common Stock, in substantially the form of this Warrant (any such new Warrant, a "New Warrant"), evidencing the portion of this Warrant so transferred shall be issued to the transferee and a New Warrant evidencing the remaining portion of this Warrant not so transferred, if any, shall be issued to the transferring Holder. The acceptance of the New Warrant by the transferee thereof shall be deemed the acceptance by such transferee of all of the rights and obligations of a holder of a Warrant.

6. Exercise and Duration of Warrants. This Warrant shall be exercisable by the registered Holder at any time and from time to time on or after the date hereof to and including the Expiration Date. At 6:30 p.m., New York City time, on the Expiration Date, the portion of this Warrant not exercised prior thereto shall be and become void and of no value. The Company may not call or redeem all or any portion of this Warrant without the prior written consent of the Holder.

7. Delivery of Warrant Shares.

(a) To effect conversions hereunder, the Holder shall not be required to physically surrender this Warrant unless the aggregate number of Warrant Shares represented by this Warrant is being exercised. Upon delivery of an Exercise Notice substantially in the form attached hereto as Attachment A (an "Exercise Notice") to the Company at its address for notice determined as set forth herein, and upon payment of the applicable Exercise Price multiplied by the number of Warrant Shares that the Holder intends to purchase hereunder, the Company shall promptly (but in no event later than five (5) trading days after the Date of Exercise (as defined below)) issue and deliver, or cause its transfer agent to issue and deliver, to the Holder a certificate for the Warrant Shares issuable upon such exercise registered in the name of the Holder or its designee. A "Date of Exercise" means the date on which the Holder shall have delivered to the Company: (i) an Exercise Notice, appropriately completed and duly signed, and (ii) unless the Holder has elected a cashless exercise, payment of the Exercise Price (by certified or official bank check, intra-bank account transfer or wire transfer) for the number of Warrant Shares so indicated by the Holder to be purchased.

(b) If by the fifth trading day after a Date of Exercise the Company fails to deliver the required number of Warrant Shares in the manner required pursuant to Section 7(a), the Holder will have the right to rescind such exercise.

(c) The Company's obligations to issue and deliver Warrant Shares in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of Warrant Shares. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

8. Charges, Taxes and Expenses. Issuance and delivery of certificated or uncertificated shares of Common Stock upon exercise of this Warrant shall be made without charge to the Holder for any issue or transfer tax, withholding tax, transfer agent fee, or other incidental tax or expense in respect of the issuance of such shares, all of which taxes and expenses shall be paid by the Company; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrant Shares or Warrants in a name other than that of the Holder. The Holder shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Warrant Shares upon exercise hereof.

9. Replacement of Warrant. If this Warrant is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation hereof, or in lieu of and substitution for this Warrant, a new Warrant, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction and customary and reasonable indemnity (which shall not include a surety bond), if requested. Applicants for a new warrant under such circumstances shall also comply with such other reasonable regulations and procedures and pay such other reasonable third-party costs as the Company may prescribe. If a new warrant is requested as a result of a mutilation of this Warrant, then the Holder shall deliver this mutilated Warrant to the Company as a condition precedent to the Company's obligation to issue the new warrant.

10. Reservation of Warrant Shares. The Company covenants that it will at all times reserve and keep available out of the aggregate of its authorized but unissued and otherwise unreserved Common Stock, solely for the purpose of enabling it to issue Warrant Shares upon exercise of this Warrant as herein provided, the number of Warrant Shares which are then issuable and deliverable upon the exercise of this entire Warrant, free from Liens or any other contingent purchase rights of persons other than the Holder (taking into account the adjustments and restrictions of Section 11). The Company covenants and warrants that all Warrant Shares so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued and fully paid and non-assessable.

11. Certain Adjustments. The number of Warrant Shares issuable upon exercise of this Warrant are subject to adjustment from time to time as set forth in this Section 11.

(a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of any Warrants), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of Common Stock any shares of capital stock of the Company; then in each such case (A) the Exercise Price will be adjusted by multiplying the Exercise Price then in effect by a fraction, the numerator of which equals the number of shares of Common Stock outstanding immediately prior to such event (excluding treasury shares, if any), and the denominator of which equals the number of shares of Common Stock outstanding immediately after such event, and (B) the number of Warrant Shares issuable hereunder shall be concurrently adjusted by multiplying such number by the reciprocal of such fraction. Such adjustments will take effect (i) if a record date shall have been fixed for determining the stockholders or security holders, as applicable, of the Company entitled to receive such dividend, distribution or issuance by reclassification, as the case may be, immediately after such record date, (ii) otherwise, immediately after the effective date of such dividend, distribution, subdivision, combination, or issuance by reclassification, as the case may be.

(b) Subsequent Equity Sales. If the Company or any Subsidiary thereof, as applicable, at any time while this Warrant is outstanding, shall sell or grant any option to purchase, or sell or grant any right to re-price, or otherwise dispose of or issue (or announce any offer, sale, grant or any option to purchase or any other disposition or issuance of) any Common Stock or securities convertible or exercisable into Common Stock ("Common Stock Equivalents"), except for issuances contemplated by Section 11(a) and Exempt Issuances (as defined in Section 11(f)(i)), at an effective price per share less than the Exercise Price then in effect (such lower price, the "Base Share Price" and such issuances collectively, a "Dilutive Issuance") (it being understood and agreed that if the holder of the Common Stock or Common Stock Equivalents so issued or issuable shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued or issuable in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is less than the Exercise Price, such issuance shall be deemed to have occurred for less than the Exercise Price on such date of the Dilutive Issuance at such effective price), then simultaneously with the consummation of each Dilutive Issuance (i) the Exercise Price then in effect will be reduced (and in no event increased) by multiplying the Exercise Price then in effect by a fraction, the numerator of which equals the *sum* of the number of shares of Common Stock outstanding immediately prior

to the Dilutive Issuance *plus* the number of shares of Common Stock which would be issued or issuable if the Base Share Price for such Dilutive Issuance equaled such VWAP (assuming the aggregate consideration received or receivable by the Company would remain the same), and the denominator of which equals the *sum* of the number of shares of Common Stock outstanding immediately prior to such Dilutive Issuance *plus* the number of shares of Common Stock so issued or issuable in connection with such Dilutive Issuance, and (ii) the number of Warrant Shares issuable hereunder shall be concurrently increased (and in no event decreased) by multiplying such number by the reciprocal of such fraction. Such adjustments shall be made whenever such Common Stock or Common Stock Equivalents are issued. The Company shall notify the Holder, in writing, no later than the trading day following the issuance or deemed issuance of any Common Stock or Common Stock Equivalents subject to this Section 11(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms, and describing the material terms of the option, right, Common Stock or Common Stock Equivalents sold, granted, disposed of or issued (such notice, the “Dilutive Issuance Notice”). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 11(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Warrant Shares based upon the Exercise Price as the Exercise Price should have been adjusted pursuant to the operation of this Section 11(b) had the Company provided a Dilutive Issuance Notice, regardless of whether the Holder accurately refers to the adjusted Exercise Price in the Exercise Notice. If the Company enters into a Variable Rate Transaction (as defined in Section 11(f)(ii)), the Company shall be deemed to have issued Common Stock or Common Stock Equivalents at the lowest possible conversion or exercise price at which such securities may be converted or exercised.

(c) Subsequent Rights Offerings. If the Company, at any time while this Warrant is outstanding, shall issue rights, options or warrants to all holders of Common Stock (and not to the Holder on an as-fully-exercised basis) entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the VWAP on the record date mentioned below, then, unless adjustment is required pursuant to Section 11(b), (i) the Exercise Price then in effect will be adjusted by multiplying the Exercise Price by a fraction, the numerator of which equals the *sum* of the number of shares of Common Stock outstanding on the date of issuance of such rights, options or warrants *plus* the number of shares which the aggregate offering price of the total number of shares so offered (assuming receipt by the Company in full of all consideration payable upon exercise of such rights, options or warrants) would purchase at such VWAP, and the denominator of which equals the *sum* of the number of shares of Common Stock outstanding on the date of issuance of such rights, options or warrants *plus* the number of additional shares of Common Stock offered for subscription or purchase and (ii) the number of Warrant Shares issuable hereunder shall be concurrently adjusted by multiplying such number by the reciprocal of such fraction. Such adjustments shall be made whenever such rights, options or warrants are issued, and shall become effective immediately after the record date for the determination of stockholders entitled to receive such rights, options or warrants or, if no such record date shall have been fixed, immediately after the effective date of such issuance.

(d) Pro Rata Distributions. If the Company, at any time while this Warrant is outstanding, shall distribute to all holders of Common Stock (and not to the Holder on an as-fully-exercised basis) evidences of its indebtedness, assets (including cash and cash dividends), rights or warrants to subscribe for or purchase any security other than shares of Common Stock (which shall be subject to Section 11(b) or Section 11(c), as applicable), then in each such case the Exercise Price then in effect will be adjusted effective immediately after the record date for the determination of stockholders entitled to receive such distribution by multiplying the Exercise Price by a fraction, the numerator of which equals the VWAP on such record date *less* the then per share fair market value of the portion of such evidence of indebtedness, assets, rights or warrants so distributed applicable to one outstanding share of the Common Stock, as determined by the Board in good faith, and the denominator of which equals the VWAP determined as of such record date. In each such case the Company shall notify the Holder, in writing, no later than the trading day following the distribution of any such evidence of indebtedness, assets, rights or warrants, describing the material terms of such evidence of indebtedness, assets, rights or warrants and the adjustments made pursuant to this Section 11(d).

(e) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or a series of related transactions, (A) effects any merger or consolidation of the

Company with or into another Person, (B) effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets, (C) effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (except for issuances by reclassification contemplated by Section 11(a)(iv)), or (D) consummates a stock or share purchase agreement or other business combination (including a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than fifty percent (50%) of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or group making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination), or (ii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person or group of Persons) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property (each transaction or series of transactions referred to in clause (i) or (ii) above, a “Fundamental Transaction”); then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, (1) the number of shares of common stock of the successor or acquiring corporation or, if it is the surviving corporation, of the Company, and (2) any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount and components of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Board shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration (substituting the most appropriate market-based measure for the Trading Market in determining the daily VWAP from time to time for each component of the Alternate Consideration or, if no market-based measure is reasonably available for any such component, fixing the daily VWAP of such component at the value determined by such apportionment, but subject to further adjustment as provided in this Section 11). If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant of like tenor to this Warrant but adjusted to be consistent with the foregoing provisions and evidencing the Holder’s right to exercise such warrant for the appropriate number of shares of capital stock and Alternate Consideration, if any, in exchange for this Warrant. The Company shall ensure that the terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 11(e) and ensuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction or series of related transactions analogous to a Fundamental Transaction.

(f) Definitions. In addition to the terms defined elsewhere in this Warrant, for all purposes of this Warrant, the following terms shall have the meanings indicated in this Section 11(a):

(i) “Exempt Issuance” means (A) shares of Common Stock or options to purchase Common Stock to directors, officers, employees or consultants (other than attorneys, law firms, accountants or accounting firms) of the Company in their capacity as such pursuant to an any employee benefit plan which has been approved by the Board prior to or subsequent to the date hereof (an “Approved Share Plan”), provided that the exercise price of any such options is not lowered, none of such options is amended to increase the number of shares issuable thereunder, and none of the terms or conditions of any such options is otherwise materially changed in any manner that adversely affects the Holder (the “Approved Share Plan Options”), (B) shares of Common Stock issued upon the conversion or exercise of Common Stock Equivalents (other than Approved Share Plan Options) issued and outstanding prior to the date hereof, provided that the conversion or exercise price of any such Common Stock Equivalents (other than Approved Share Plan Options) is not lowered, none of such Common Stock Equivalents (other than Approved Share Plan Options) is amended to increase the number of shares issuable thereunder, and none of the terms or conditions of any such Common Stock Equivalents (other

than Approved Share Plan Options) is otherwise materially changed in any manner that adversely affects the Holder, or (C) securities issued pursuant to acquisitions or strategic transactions approved by a majority of the disinterested directors of the Company, provided that any such issuance shall only be to a Person (or the equity holders of a Person) which is, itself or through its subsidiaries, an operating company or an owner of an asset in a business synergistic with the business of the Company, and the acquisition or strategic transaction provides to the Company benefits in addition to the investment of funds, but shall not include a transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities.

(ii) “Variable Rate Transaction” means a transaction in which the Company (A) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive, additional shares of Common Stock either (1) at a conversion price, exercise price or exchange rate or other price that is based upon, or varies with, the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of such debt or equity securities, or (2) other than with respect to customary anti-dilution provisions, with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of any specified or contingent events directly or indirectly related to the business of the Company or any market for the Common Stock, or (B) enters into any agreement, including an equity line of credit, whereby the Company may sell securities at a future determined price.

(iii) “VWAP” means, for any date, the price determined by the first of the following clauses that applies: (A) if the Common Stock is then listed or quoted on a trading market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the principal trading market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a trading day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (B) if prices for the Common Stock are then reported in the “Pink Sheets” published by Pink OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported during trading hours, or (C) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Company’s Board of Directors and reasonably acceptable to the Holder, the fees and expenses of which shall be paid by the Company.

(g) Calculations. All calculations under this Section 11 shall be made to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock issued and outstanding at any given time for purposes of this Section 11 shall not include any shares owned or held by or for the account of the Company or any Subsidiary, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

(h) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 11, the Company at its expense will promptly compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Warrant Shares or other Alternate Consideration issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments in all material respects and showing in detail the facts upon which such adjustment is based. Upon written request, the Company will promptly deliver a copy of each such certificate to the Holder and to the Company’s transfer agent.

(i) Notice of Corporate Events. If (A) the Company declares a dividend (or any other distribution of cash, securities or other property in whatever form) on the Common Stock, including any granting of rights or warrants to subscribe for or purchase any capital stock of the Company or any Subsidiary or of any rights, (B) the Company declares a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (D) the Company authorizes the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company; then, in each case, the Company shall deliver to the Holder, at least twenty (20) calendar days prior to the applicable record or

effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, or redemption, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, or redemption are to be determined, or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided, however, that the failure to deliver such notice or any defect therein shall not affect the validity of the corporate action required to be described in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any Subsidiary, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

(j) Payment of Exercise Price. The Holder may pay the Exercise Price in one of the following manners:

(i) Cash Exercise. The Holder may pay by certified or official bank check, by intra-bank account transfer or by wire transfer of same-day funds.

(ii) Cashless Exercise. The Holder may elect instead to utilize a cashless exercise method, in which event the Company shall issue to the Holder the number of Warrant Shares determined as follows:

$$X = Y \times ((A - B) / A)$$

where:

X = the number of Warrant Shares to be issued to the Holder.

Y = the number of Warrant Shares with respect to which this Warrant is being exercised.

A = the closing price of shares of Common Stock for the trading day immediately prior to (but not including) the Exercise Date.

B = the Exercise Price.

For purposes of Rule 144 promulgated under the Securities Act, it is intended, understood and acknowledged that the Warrant Shares issued in a cashless exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued.

12. Limitation on Exercise Pending Stockholder Approval. This Warrant shall not be exercisable by the Holder, in whole or in part, unless and until the conditions specified in Section 12.12 of the Purchase Agreement (relating to, among other things, stockholder approval of the transactions contemplated by the Purchase Agreement) have been satisfied in full.

13. No Fractional Shares. No fractional shares of Common Stock will be issued in connection with any exercise of this Warrant. In lieu of any fractional shares which would otherwise be issuable, the Company shall pay the Holder an amount of cash equal to the product of such fraction multiplied by the closing price of one share of Common Stock as reported on the principal trading market for the Common Stock on the Date of Exercise.

14. Notices. Any and all notices or other communications or deliveries hereunder (including any Exercise Notice) shall be in writing and shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number pursuant to this Section 14 prior to 6:30 p.m. (New York City time) on a trading day, (ii) the next trading day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number specified pursuant to this Section 14 on a day that is not a trading day or later than 6:30 p.m. (New York City time) on any trading day, (iii) the trading day following the date of mailing, if sent by nationally recognized

overnight courier service to the street address specified pursuant to this Section 14, or (iv) upon actual receipt by the party to whom such notice is required to be given. The addresses for such communications shall be as follows:

(a) if to the Company, to:

Las Vegas, Nevada 89120
Attn: Chief Financial Officer
Facsimile No.: (702) 939-0244

with a copy to (which shall not constitute notice to the Company):

Attn: Daniel M. Mahoney, Esq.

or to such other address, facsimile number or email address as the Company or the Holder may provide to the other in accordance with this Section 14.

15. Warrant Agent. The Company shall serve as warrant agent under this Warrant. Upon thirty (30) days notice to the Holder, the Company may appoint a new warrant agent. Any corporation into which the Company or any new warrant agent may be merged or any corporation resulting from any consolidation to which the Company or any new warrant agent shall be a party or any corporation to which the Company or any new warrant agent transfers substantially all of its corporate trust or stockholders services business shall be a successor warrant agent under this Warrant without any further act. Any such successor warrant agent shall promptly cause notice of its succession as warrant agent to be mailed (by first class mail, postage prepaid) to the Holder at the Holder's last address as shown on the Warrant Register.

16. Miscellaneous.

(a) Assignment. Subject to the restrictions on transfer described herein, the rights and obligations of the Company and the Holder shall be binding upon, and inure to the benefit of, the successors, assigns, heirs, administrators and transferees of the parties. The Company shall not have the right directly or indirectly to assign or transfer this Warrant without the prior written consent of the Holder, which may be withheld in the Holder's sole discretion, or as part of a Fundamental Transaction.

(b) No Third Party Beneficiaries. Nothing in this Warrant shall be construed to give to any Person other than the Company and the Holder any legal or equitable right, remedy or cause of action under this Warrant.

(c) Amendments; Waiver. This Warrant may be amended only in writing signed by the Company and the Holder, and any amendment so effected shall amend each Warrant issued pursuant to the Purchase Agreement and be binding upon each holder of such Warrants (provided, however, that any such amendment that adversely affects any holder or class of holders of such Warrants in a manner that does not apply uniformly to all holders of such Warrants, as applicable, shall require the written consent of such adversely affected holders or class). Any provision of this Warrant may be waived, but only if in writing by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Warrant shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

(d) Governing Law. This Warrant shall be governed by and construed in accordance with the laws of the State of Arizona, without regard to principles of conflict of laws.

(e) Severability. If one or more provisions of this Warrant are held to be unenforceable under applicable law in any respect, such provision shall be excluded from this Warrant and the balance of this Warrant shall be construed and interpreted as if such provision were so excluded and shall be enforceable in accordance with its remaining terms.

Background

WHEREAS, on April 3, 2012 (the “Closing Date”), the Company and Isaac Capital Group LLC (“ICG”) entered into a Note and Warrant Purchase Agreement in substantially the form attached hereto as Exhibit A (the “Purchase Agreement”), pursuant to which ICG agreed to purchase for cash up to \$2,000,000 in aggregate principal amount of Subordinated Convertible Notes in substantially the form attached hereto as Exhibit B (“Convertible Notes”) to be issued by the Company;

WHEREAS, an initial Convertible Note in the principal amount of \$250,000 was issued to ICG on the Closing Date, and additional Convertible Notes in an aggregate principal amount of up to \$1,750,000 may be issued to ICG from time to time by the Company for a period of one (1) year following the Closing Date upon notice to ICG, provided that each Convertible Note must be in a principal amount of at least \$100,000;

WHEREAS, either the Company or ICG may elect at any time to cause the immediate conversion of all or any portion of any Convertible Note (including all principal and accrued but unpaid interest relating thereto) into that number of shares of the Company’s common stock, par value \$0.001 per share (“Common Stock”), as is obtained by dividing the dollar amount of the principal and accrued but unpaid interest payable under the applicable Convertible Note by the applicable Conversion Price (the “Conversion Shares”), and subject to adjustment, the “Conversion Price” with respect to each Convertible Note will be an amount equal to 60% of the lesser of (i) the closing bid price of the Common Stock on the Closing Date or (ii) the 10-day weighted average closing bid price of the Common Stock for the 10 business days immediately preceding the date on which the Company or ICG (as applicable) provides notice of conversion with respect to the applicable Convertible Note;

WHEREAS, pursuant to the Purchase Agreement, in connection with the conversion of any Convertible Note into Conversion Shares, the Company will issue to ICG a warrant in substantially the form attached hereto as Exhibit C (“Warrant”) to purchase that number of shares of Common Stock equal to the applicable number of Conversion Shares (subject to adjustment) (the “Warrant Shares”), with each such Warrant to (i) be exercisable for a period of five (5) years following the date of its issuance at an exercise price equal to a 20% premium to the Conversion Price of the applicable Convertible Note (subject to adjustment) and (ii) provide that it may be exercised in whole or in part and also include a cashless exercise feature;

WHEREAS, in light of the Conversion Shares and Warrant Shares that may be issued to ICG upon the conversion of any Convertible Note(s) and/or exercise of any Warrant(s), stockholder approval of the Purchase Agreement and the transactions contemplated thereby is required under applicable NASDAQ Listing Rules;

WHEREAS, Section 78.320 of the Nevada Revised Statutes provides that, unless otherwise provided in the Articles or the Bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power, except that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required;

WHEREAS, Article 6 of the Articles provides that no action that is required or permitted to be taken by the stockholders of the Company at any annual or special meeting of stockholders may be effected by written consent of stockholders in lieu of a meeting of stockholders, unless the action to be effected by written consent of stockholders and the taking of such action by such written consent have expressly been approved in advance by the Board of Directors of the Company (the “Board”);

WHEREAS, Section 2.5(a) of the Bylaws provides that, subject to restrictions imposed by the Articles or by applicable law, any action required or permitted to be taken at any annual or special meeting of the stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Company's Secretary;

WHEREAS, at a meeting of the Board duly held on March 30, 2012, the Board (i) approved and authorized the Company's entry into the Purchase Agreement and consummation of the transactions contemplated thereby, (ii) recommended that the Company's stockholders approve the Purchase Agreement and the transactions contemplated thereby in accordance with applicable NASDAQ Listing Rules, and (iii) expressly approved and authorized stockholder action by written consent in connection with such recommendation, as required by the Articles; and

WHEREAS, the undersigned stockholders, after having considered the Board's recommendation and carefully reviewed and considered the terms and conditions of the Purchase Agreement, the Convertible Notes, the Warrants and the other agreements and documents contemplated by the Purchase Agreement, have determined that it is advisable and in the best interests of the Company and its stockholders to approve the Purchase Agreement and the transactions contemplated thereby.
