**PROXY STATEMENT FOR  
ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JULY 24, 2018**

This Proxy Statement relates to the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) of Live Ventures Incorporated (“Live Ventures” or the “Company”). The Annual Meeting will be held on Tuesday, July 24, 2018 at 10:00 a.m. Pacific time, at our corporate offices located at 325 East Warm Springs Road, Suite 102, Las Vegas, Nevada 89119, or at such other time and place to which the Annual Meeting may be adjourned or postponed. The enclosed proxy is solicited by Live Ventures’ Board of Directors (the “Board”). The proxy materials relating to the Annual Meeting are first being mailed to stockholders entitled to vote at the Annual Meeting on or about June 25, 2018.

**ABOUT THE MEETING**

**What is the purpose of the Annual Meeting?**

At the Annual Meeting, holders of our common stock and Series B Convertible Preferred Stock (the “Series B Stock”) will act upon the matters outlined in the accompanying Notice of Annual Meeting and this Proxy Statement, including (i) the election of five directors to the Board and (ii) the ratification of the Audit Committee’s appointment of SingerLewak LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2018.

**What are the Board’s recommendations?**

The Board recommends a vote:

- FOR election of the nominated slate of directors; and
- FOR the ratification of the Audit Committee’s appointment of SingerLewak LLP as the Company’s independent registered public accounting firm for the fiscal year ending September 30, 2018.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

**Who is entitled to attend and vote at the Annual Meeting?**

Only holders of our common stock and Series B Stock of record at the close of business on the record date, June 18, 2018, or their duly appointed proxies, are entitled to receive notice of the Annual Meeting, attend the Annual Meeting and vote the shares that they held on that date at the Annual Meeting or any postponement or adjournment of the Annual Meeting. At the close of business on June 18, 2018, the record date, there were issued, outstanding and entitled to vote (i) 1,984,016 shares of our common stock, par value \$0.001 per share, each of which is entitled to one vote and (ii) 214,244 shares of our Series B Stock, each of which is entitled to five votes per share.

### **How do I vote my shares if they are registered directly in my name?**

We offer four methods for you to vote your shares at the annual meeting. **While we offer four methods, we encourage you to vote through the Internet or by telephone, as they are the most cost-effective methods for the Company.** We also recommend that you vote as soon as possible, even if you are planning to attend the annual meeting, so that the vote count will not be delayed. Both the Internet and the telephone provide convenient, cost-effective alternatives to returning your proxy card by mail. There is no charge to vote your shares via the Internet, though you may incur costs associated with electronic access, such as usage charges from Internet access providers. If you choose to vote your shares through the Internet or by telephone, there is no need for you to mail your proxy card.

You may (i) vote in person at the annual meeting or (ii) authorize the persons named as proxies on the enclosed proxy card, Jon Isaac and Virland A. Johnson, to vote your shares by returning the enclosed proxy card by mail, through the Internet or by telephone.

- By Internet: Go to [www.proxypush.com/LIVE](http://www.proxypush.com/LIVE). Have your proxy card available when you access the web site. You will need the control number from your proxy card to vote.
- By telephone: Call (866) 390-5229 toll-free (in the United States, U.S. territories and Canada) on a touch-tone telephone. Have your proxy card available when you call. You will need the control number from your proxy card to vote. Cumulative voting cannot be accepted by telephone. If you wish to participate in cumulative voting, you must use one of the other three methods of voting (in person at the annual meeting, by Internet or by mail).
- By mail: Complete, sign and date the proxy card, and return it in the postage paid envelope provided with the proxy material.

### **How do I vote my shares if they are held in the name of my broker (street name)?**

If your shares of common stock or Series B Stock are held by your broker, bank or other nominee, or its agent (“Broker”) in “street name,” you will receive a voting instruction form from your Broker asking you how your shares should be voted. You should contact your Broker with questions about how to provide or revoke your instructions.

If you hold your shares in “street name” and do not provide specific voting instructions to your Broker, a “broker non-vote” will result with respect to Proposal 1. Therefore, it is very important to respond to your Broker’s request for voting instructions on a timely basis if you want your shares held in “street name” to be represented and voted at the Annual Meeting. Please see below for additional information if you hold your shares in “street name” and desire to attend the Annual Meeting and vote your shares in person.

### **What if I vote and then change my mind?**

If you are a stockholder of record, you may revoke your proxy at any time before it is exercised by either (i) filing with our Corporate Secretary a notice of revocation; (ii) sending in another duly executed proxy bearing a later date; or (iii) attending the meeting and casting your vote in person. Your last vote will be the vote that is counted.

If you hold your shares in “street name,” refer to the voting instructing form provided by your Broker for more information about what to do if you submit voting instructions and then change your mind in advance of the Annual Meeting.

### **How can I get more information about attending the Annual Meeting and voting in person?**

The Annual Meeting will be held on Tuesday, July 24, 2018 at 10:00 a.m. Pacific time, at our corporate offices located at 325 East Warm Springs Road, Suite 102, Las Vegas, Nevada 89119, or at such other time and place to which the Annual Meeting may be adjourned or postponed. For additional details about the Annual Meeting, including directions to the Annual Meeting and information about how you may vote in person if you so desire, please contact Live Ventures at (702) 997-5968.

If you hold your shares in “street name,” please bring an account statement or letter from the applicable Broker, indicating that you are the beneficial owner of the shares as of the record date if you would like to gain admission to the Annual Meeting. In addition, if you hold your shares in “street name” and desire to actually vote your shares in person at the Annual Meeting, you must obtain a valid proxy from your Broker. For more information about obtaining such a proxy, contact your Broker.

#### **What constitutes a quorum?**

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares entitled to vote on the record date will constitute a quorum, permitting us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting for purposes of determining whether a quorum is present. Broker non-votes will also be counted for purposes of determining whether a quorum is present.

#### **What vote is required to approve each item?**

*Election of Directors.* Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The five persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Stockholders may not cumulate votes in the election of directors.

Pursuant to rules approved by the Securities and Exchange Commission (the “SEC”) brokers are not entitled to use their discretion to vote uninstructed proxies in, among other things, uncontested director elections. In other words, if your shares are held by your broker in “street name” and you do not provide your broker with instructions about how your shares should be voted in connection with this proposal, your shares will not be voted and a “broker non-vote” will result. **Therefore, if you desire that your shares be voted in connection with the election of the Board, it is imperative that you provide your broker with voting instructions.** If your shares are held by your broker in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent.

*Ratification of Auditors.* The ratification of the Audit Committee’s appointment of SingerLewak LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2018 will be approved if a majority of the votes cast at the Annual Meeting are voted in favor of the proposal. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted or treated as a vote cast. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to the ratification of our independent auditors.

#### **Can I dissent or exercise rights of appraisal?**

Under Nevada law, holders of our common stock are not entitled to dissenters’ rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

#### **Who pays for this proxy solicitation?**

The Company will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy card and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners.

#### **Where can I access this Proxy Statement and the related materials online?**

The Proxy Statement and our Annual Report to Stockholders are available at <http://www.proxydocs.com/LIVE>.

**ELECTION OF DIRECTORS**  
**(Proposal No. 1)**

**General**

Live Ventures' Amended and Restated Bylaws provide that the Board shall consist of not less than three nor more than nine directors (with the precise number of directors to be established by resolution of the Board), each of whom is elected annually. Currently, there are five members of the Board. The Board has determined that five directors will be elected at the 2018 Annual Meeting and has nominated each of the five incumbent directors for re-election. Each director is to be elected to hold office until the next annual meeting of stockholders or until his successor is elected and qualified. If a director resigns or otherwise is unable to complete his term of office, the Board may elect another director for the remainder of the departing director's term.

The Board has no reason to believe that the nominees will not serve if elected, but if they should become unavailable to serve as a director, and if the Board designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board.

## CORPORATE GOVERNANCE

### **How often did the Board meet during fiscal 2017?**

The Board met seven times during fiscal 2017, either telephonically or in person. None of our directors attended fewer than 75% of the meetings of the Board held during the director's service or of any committee on which the director served during fiscal 2017.

### **Who are the Board's "independent" directors?**

Each year, the Board of Directors reviews the relationships that each director has with the Company and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASDAQ Listing Rules and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be independent directors. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic relationships with the Company and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Company; and the relationships between the Company and other companies of which a member of the Company's Board of Directors is a director or executive officer.

After evaluating these factors, the Board of Directors has determined that a majority of the members of the Board of Directors, namely, Messrs. Butler, Gao, and Sickmeyer, do not have any relationships that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors and that each such director is an independent director of the Company within the meaning of NASDAQ Listing Rule 5605(a)(2) and the related rules of the SEC. The Company's independent directors conduct executive sessions at regularly scheduled meetings as required by NASDAQ Listing Rule 5605(b)(2).

### **How can our stockholders communicate with the Board?**

### **What is the leadership structure of the Board?**

Mr. Jon Isaac, our Chief Executive Officer, also serves as Chairman of the Board. Currently, the Board does not have a Lead Independent Director. Although the Board assesses the appropriate leadership structure from time to time in light of internal and external events or developments and reserves the right to make changes in the future, it believes that the current structure, as described in this Proxy Statement, is appropriate at this time given the size and experience of the Board, as well as the background and experience of management.

### **What is the Board's role in risk oversight?**

Our management is responsible for managing risk and bringing the most material risks facing the Company to the Board's attention. The Board has oversight responsibility for the processes established to report and monitor material risks applicable to the Company. The Board also oversees the appropriate allocation of responsibility for risk oversight among the committees of the Board. The Audit Committee plays a central role in overseeing the integrity of the Company's financial statements and reviewing and approving the performance of the Company's internal audit function and independent accountants. The Corporate Governance and Nominating Committee considers risks related to succession planning and considers risk related to the attraction and retention of talent and risks related to the design of compensation programs and arrangements. The Compensation Committee monitors the design and administration of the Company's compensation programs to ensure that they incentivize strong individual and group performance and include appropriate safeguards to avoid unintended or excessive risk taking by Company employees. The Board does not believe that its process for risk oversight should affect its leadership structure (i.e., whether it may combine the Chairman and CEO roles in the future) because Board committees (comprised entirely of independent directors) play the central role in risk oversight.

## **What committees has the Board established?**

The Board has an Audit Committee, a Compensation Committee, and a Corporate Governance and Nominating Committee, each of which is a separately-designated standing committee of the Board. Each committee has a charter.

*Audit Committee.* The purpose of our Audit Committee is to assist our Board of Directors in overseeing (i) the integrity of our Company's accounting and financial reporting processes, the audits of our financial statements, as well as our systems of internal controls regarding finance, accounting, and legal compliance; (ii) our Company's compliance with legal and regulatory requirements; (iii) the qualifications, independence and performance of our independent public accountants; (iv) our Company's financial risk; and (v) our Company's internal audit function. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent public accountants, and our management. Messrs. Gao (Chairman), Butler and Sickmeyer currently serve on our Audit Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be "financially literate" with accounting or related financial management experience. The Board has also determined that Mr. Gao is an "audit committee financial expert" as defined under SEC rules and regulations and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Board has adopted a charter for the Audit Committee, a copy of which is posted on our website at [ir.livedeal.com/governance-documents](http://ir.livedeal.com/governance-documents). The Audit Committee met five times, either telephonically or in person, during fiscal 2017.

*Compensation Committee.* The purpose of the Compensation Committee is to (i) discharge the Board's responsibilities relating to compensation of the Company's directors and executives, (ii) produce an annual report on executive compensation for inclusion in the Company's proxy statement, as necessary, and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans. During fiscal 2017, Messrs. Butler (Chairman), Gao and Sickmeyer served on the Compensation Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. In addition, each of the current members of the Compensation Committee is a "non-employee director" under Section 16 of the Exchange Act and an "outside director" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board has adopted a charter for the Compensation Committee, a copy of which is posted on our website at [ir.livedeal.com/governance-documents](http://ir.livedeal.com/governance-documents). The Compensation Committee met three times, either telephonically or in person, during fiscal 2017.

*Corporate Governance and Nominating Committee.* The purpose of the Corporate Governance and Nominating Committee is to (i) identify individuals who are qualified to become members of the Board, consistent with criteria approved by the Board, and to select, or to recommend that the Board select, the director nominees for the next annual meeting of stockholders or to fill vacancies on the board; (ii) develop and recommend to the Board a set of corporate governance principles applicable to our Company; and (iii) oversee the evaluation of the Board and our Company's management. During fiscal 2017, Messrs. Butler (Chairman), Gao, and Sickmeyer served on the Corporate Governance and Nominating Committee. Each member of the committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC. The Board has adopted a charter for the Corporate Governance and Nominating Committee, a copy of which is posted on our website at [ir.livedeal.com/governance-documents](http://ir.livedeal.com/governance-documents). The Corporate Governance and Nominating Committee met one time during fiscal 2017.

## **What are the procedures of the Corporate Governance and Nominating Committee in making nominations?**

The Corporate Governance and Nominating Committee establishes and periodically reviews the criteria and qualifications for board membership and the selection of candidates to serve as directors of our Company. In determining whether to nominate a candidate for director, the Corporate Governance and Nominating Committee considers the following criteria, among others:

- the candidate's integrity and ethical character;
- whether the candidate is "independent" under applicable SEC and NASDAQ rules and regulations;
- whether the candidate has any conflicts of interest that would materially impair his or her ability to exercise independent judgment as a member of the Board or otherwise discharge the fiduciary duties owed by a director to Live Ventures and our stockholders; and
- the candidate's ability to represent all of our stockholders without favoring any particular stockholder group or other constituency of Live Ventures.

The committee has the authority to retain a search firm to identify director candidates and to approve any fees and retention terms of the search firm's engagement, although the committee has not recently engaged such a firm.

Although the committee has not specified any minimum criteria or qualifications that each director must meet, the committee conducts its nominating process in a manner designed to ensure that the Board continues to meet applicable requirements under SEC and NASDAQ rules (including, without limitation, as they relate to the composition of the Audit Committee).

The Board is of the view that the continuing service of qualified incumbents promotes stability and continuity in the boardroom, giving our Company the benefit of the familiarity and insight into our Company's affairs that its directors have accumulated during their tenure, while contributing to the Board's ability to work as a collective body. Accordingly, the process of the Corporate Governance and Nominating Committee for identifying nominees reflects the practice of re-nominating incumbent directors who continue to satisfy the committee's criteria for membership on the Board, who the committee believes will continue to make important contributions to the Board, and who consent to continue their service on the Board.

#### **What are our policies and procedures with respect to director candidates who are nominated by security holders?**

The Corporate Governance and Nominating Committee will consider director candidates recommended by our stockholders under criteria similar to those used to evaluate candidates nominated by the committee (including those listed above). In considering the potential candidacy of persons recommended by stockholders, however, the committee may also consider the size, duration and any special interest of the recommending stockholder (or group of stockholders) in Live Ventures' common stock.

Stockholders who desire to recommend a nominee for election to the Board must follow the following procedures:

- Recommendations must be submitted to the Company in writing, addressed to our Principal Financial Officer at the Company's principal headquarters.
- Recommendations must include all information reasonably deemed by the recommending stockholder to be relevant to the committee's consideration, including (at a minimum):
  - the name, address and telephone number of the potential candidate;
  - the number of shares of Live Ventures' common stock owned by the recommending stockholder (or group of stockholders), and the time period for which such shares have been held;
  - if the recommending stockholder is not a stockholder of record according to the books and records of the Company, a statement from the record holder of the shares (usually a broker or bank) verifying the holdings of the stockholder;
  - a statement from the recommending stockholder as to whether s/he has a good faith intention to continue to hold the reported shares through the date of Live Ventures' next annual meeting (at which the candidate would be elected to the Board);
  - with respect to the recommended nominee:
    - the information required by Item 401 of Regulation S-K (generally providing for disclosure of the name, address, any arrangements or understandings regarding the nomination and the five-year business experience of the proposed nominee, as well as information about the types of legal proceedings within the past five years involving the nominee);
    - the information required by Item 404 of Regulation S-K (generally providing for disclosure of transactions in which Live Ventures I was or is to be a participant involving more than \$120,000 and in which the nominee had or will have any direct or indirect material interest and certain other types of business relationships with Live Ventures);
    - a description of all relationships between the proposed nominee and the recommending stockholder and any arrangements or understandings between the recommending stockholder and the nominee regarding the nomination;

- a description of all relationships between the proposed nominee and any of Live Ventures' competitors, customers, suppliers, labor unions or other persons with special interests regarding Live Ventures;
- a description of the contributions that the nominee would be expected to make to the Board and the governance of Live Ventures; and
- a statement as to whether, in the view of the stockholder, the nominee, if elected, would represent all stockholders and not serve for the purpose of advancing or favoring any particular stockholder or other constituency of Live Ventures.
- The nominating recommendation must be accompanied by the consent of the proposed nominee to be interviewed by the Corporate Governance and Nominating Committee and other Board members and, if elected, to serve as a director of Live Ventures.
- A stockholder nomination must be received by Live Ventures, as provided above, not later than 120 calendar days prior to the first anniversary of the mailing date of the proxy statement for the prior annual meeting.
- If a recommendation is submitted by a group of two or more stockholders, the information regarding the recommending stockholders must be submitted with respect to each stockholder in the group (as the term group is defined under SEC regulations).

#### **Does the Board have a policy on director attendance at the Annual Meeting?**

The Board does not have a formal policy regarding director attendance at the Company's annual meeting of stockholders, but all directors are encouraged to attend. All of our directors who were standing for re-election at our 2017 Annual Meeting attended that meeting, either in person or via teleconference. All directors standing for re-election this year anticipate attending the Annual Meeting, either in person or via teleconference.

#### **How are our directors compensated?**

Jon Isaac, who is a director and also an employee of the Company does not receive any separate compensation in connection with his Board service. Our non-employee directors generally receive a \$25,000 annual retainer, although we make different arrangements with certain of our non-employee directors from time to time. Our committee chairpersons generally receive an additional annual retainer (equal to \$10,000 for the Lead Director and Audit Committee Chairman, and \$5,000 for the chairpersons of the other committees). In the event that the Chairman of the Board is a non-employee director, we also pay such person an additional retainer. We reimburse directors for reasonable expenses related to their Board service. For more information about the compensation paid or provided to our directors during fiscal 2017, please refer to the "Director Compensation" section of this Proxy Statement.

#### **Does the Company have a Code of Ethics?**

We have adopted a Code of Business Conduct and Ethics that applies to all directors, officers and employees of our Company, including the Chief Executive Officer and other principal financial and operating officers of the Company. The Code of Business Conduct and Ethics is posted on our website at [ir.live-ventures.com/governance-documents](http://ir.live-ventures.com/governance-documents). If we make any amendment to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller where such amendment or waiver is required to be disclosed under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on Form 8-K or on our website.

### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act requires our directors, certain of our officers and persons who own at least 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC.

Based solely on our review of copies of such reports and written representations from our executive officers and directors, we believe that our executive officers and directors complied with all Section 16(a) filing requirements during the fiscal year ended September 30, 2017.

## RELATED PARTY TRANSACTIONS

### Mezzanine Loan from Isaac Capital Fund

In connection with the purchase of Marquis Industries Inc., the Company entered into a mezzanine loan in an amount of up to \$7,000,000 provided by Isaac Capital Fund, a private lender whose managing member is Jon Isaac, the chief executive officer of the Company.

The Isaac Capital Fund mezzanine loan bears interest at 12.5% with payment obligations of interest each month and all principal due in January 2021 (six months after the final payments are due under the Bank of America Term and Revolving Loan). As of September 30, 2017, there was \$2,000,000 outstanding on this mezzanine loan.

### ICG Note and Warrants

On January 23, 2014, the Company issued a note to Isaac Capital Group ("ICG"), a related party, in the principal amount of \$500,000. Because the conversion price of \$13.74 was less than the stock price, this gave rise to a beneficial conversion feature valued at \$500,000. The Company recognized this beneficial conversion feature as a debt discount and additional paid in capital. The debt discount is being amortized over the one-year term. On December 3, 2014, ICG converted the note into 112,395 shares of common stock, therefore the remaining debt discount of \$158,219 was written off and recognized as interest expense. In addition, upon the conversion of note, the Company issued to ICG a warrant to acquire 112,395 additional shares of the Company's common stock at an exercise price of \$5.70 per share. The fair value of the warrants issued in connection with the conversion of note was \$1,853,473 and was immediately recognized as interest expense. Memorializing a transaction that was approved in August 2017, on January 16, 2018, we entered into an amendment to warrants with Isaac Capital Group, LLC which amends the expiration date of certain warrants issued to Isaac Capital Group, LLC to provide that if the specified warrant remains unexercised on the expiration date, then the expiration date shall be automatically extended for a period of two years from such date.

### Customer Connexx

Customer Connexx LLC, a wholly owned subsidiary of Appliance Recycling Centers of America, Inc., sub-leases call center space from Live Ventures Incorporated in Las Vegas, Nevada. Total amount of sub-lease rent and common area charges was \$164,516 for fiscal year ended September 30, 2017.

### Procedures for Approval of Related Party Transactions

In accordance with its charter, the Audit Committee reviews and recommends for approval all related party transactions (as such term is defined for purposes of Item 404 of Regulation S-K). The Audit Committee participated in the approval of the transactions described above.

## AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a charter which is reviewed annually by the Audit Committee. Additionally, a brief description of the primary responsibilities of the Audit Committee is included in this Proxy Statement under the discussion of “The Board of Directors and Certain Governance Matters — Committee Membership — Audit Committee.” Under the Audit Committee charter, management is responsible for the preparation, presentation and integrity of the Company’s financial statements, the application of accounting and financial reporting principles and our internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In the performance of its oversight function, the Audit Committee reviewed and discussed the audited financial statements and internal control over financial reporting of the Company with management and with the independent registered public accounting firm. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301 “Communications with Audit Committee.” In addition, the Audit Committee received the written disclosures and the letters from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence and discussed with the independent registered public accounting firm their independence.

Based upon the review and discussions described in the preceding paragraph, the Audit Committee recommended to the Board that the audited financial statements of the Company be included in its Annual Report on Form 10-K for the fiscal year ended September 30, 2017, as amended, filed with the SEC.

## COMPENSATION DISCUSSION AND ANALYSIS

### Overview

The purpose of this Compensation Discussion and Analysis (“CD&A”) is to provide material information about the Company’s compensation philosophy, objectives and other relevant policies and to explain and put into context the material elements of the disclosure that follows in this Form 10-K with respect to the compensation of our named executive officers (in this CD&A, referred to as the “NEOs”). For fiscal 2017, our NEOs were:

Jon Isaac, President and Chief Executive Officer  
Tim Bailey, Chief Executive Officer of Marquis  
Rodney Spriggs, President and Chief Executive Officer of Vintage Stock

### The Compensation Committee

The Compensation Committee annually reviews the performance and compensation of the Chief Executive Officer or other principal executive officer (currently, our President and Chief Executive Officer) and the Company’s other executive officers. Additionally, the Compensation Committee reviews compensation of outside directors for service on the Board and for service on committees of the Board and administers the Company’s stock plans.

### Role of Executives in Determining Executive Compensation

The Chief Executive Officer or other principal executive officer (currently, our President and Chief Executive Officer) provides input to the Compensation Committee regarding the performance of the other NEOs and offers recommendations regarding their compensation packages in light of such performance. The Compensation Committee is ultimately responsible, however, for determining the compensation of the NEOs, including the Chief Executive Officer or other principal executive officer.

### Compensation Philosophy and Objectives

The Compensation Committee and the Board believe that the Company’s compensation programs for its executive officers should reflect the Company’s performance and the value created for its stockholders. In addition, we believe the compensation programs should support the goals and values of the Company and should reward individual contributions to the Company’s success. Specifically, the Company’s executive compensation program is intended to:

- attract and retain the highest caliber executive officers;
- drive achievement of business strategies and goals;
- motivate performance in an entrepreneurial, incentive-driven culture;
- closely align the interests of executive officers with the interests of the Company’s stockholders;
- promote and maintain high ethical standards and business practices; and
- reward results and the creation of stockholder value.

### Factors Considered in Determining Compensation; Components of Compensation

The Compensation Committee makes executive compensation decisions on the basis of total compensation, rather than on individual components of compensation. We attempt to create an integrated total compensation program structured to balance both short and long-term financial and strategic goals. Our compensation should be competitive enough to attract and retain highly skilled individuals. In this regard, we utilize a combination of between two to four of the following types of compensation to compensate our executive officers:

- base salary;
- performance bonuses, which may be earned annually depending on the Company’s achievement of pre-established goals;

- cash bonuses given at the discretion of the Board; and
- equity compensation, consisting of restricted stock and/or stock options.

The Compensation Committee periodically reviews each executive officer's base salary and makes appropriate recommendations to the Board. Salaries are based on the following factors:

- the Company's performance for the prior fiscal years and subjective evaluation of each executive's contribution to that performance;
- the performance of the particular executive in relation to established goals or strategic plans; and
- competitive levels of compensation for executive positions based on information drawn from compensation surveys and other relevant information.

Performance bonuses and equity compensation are awarded based upon the recommendation of the Compensation Committee. Restricted stock is granted under the Company's stockholder-approved equity incentive plan(s) and is priced at 100% of the closing price of the Company's common stock on the date of grant. Incentive and/or non-qualified stock options are generally granted under the Company's stockholder-approved equity incentive plan(s), as well, with the exercise price of such options set at 100% of the closing price of the Company's common stock on the date of grant. These grants are made with a view to linking executives' compensation to the long-term financial success of the Company.

#### **Use of Benchmarking and Compensation Peer Groups**

The Compensation Committee did not utilize any benchmarking measure in fiscal 2017 and traditionally has not tied compensation directly to a specific profitability measurement, market value of the Company's common stock or benchmark related to any established peer or industry group. Salary increases are based on the terms of the NEOs' employment agreements, if applicable, and correlated with the Board's and the Compensation Committee's assessment of each NEO's performance. The Company also generally seeks to increase or decrease compensation, as appropriate, based upon changes in an executive officer's functional responsibilities within the Company. Historically, the Compensation Committee has not used outside consultants in determining the compensation of the NEOs, and no such consultants were engaged during fiscal 2017.

#### **Other Compensation Policies and Considerations; Tax Issues and Risk Management**

The intention of the Company has been to compensate the NEOs in a manner that maximizes the Company's ability to deduct such compensation expenses for federal income tax purposes. However, the Compensation Committee has the discretion to provide compensation that is not "performance-based" under Section 162(m) of the Code if it determines that such compensation is in the best interests of the Company and its stockholders. For fiscal 2017, the Company expects to deduct all compensation expenses paid to the NEOs.

On an annual basis, the Compensation Committee evaluates the Company's compensation policies and practices for its employees, including the NEOs, to assess whether such policies and practices create risks that are reasonably likely to have a material adverse effect on the Company. Based on its evaluation, the Compensation Committee has determined that the Company's compensation policies and practices do not create such risks.

The agreement will expire on November 3, 2021, provided that, on such date and each anniversary thereafter, the agreement is deemed to be automatically extended for successive periods of one year unless at least 90 days prior to the applicable anniversary, either Vintage Stock or Mr. Spriggs provides written notice of its intention not to extend the term of the agreement. (2) Comprised of the 2014 Omnibus Equity Incentive Plan

### **Live Ventures Incorporated Amended and Restated 2003 Stock Plan**

During the fiscal year ended September 30, 2002, our stockholders approved the 2002 Employees, Officers & Directors Stock Option Plan (the "2002 Plan"), which was intended to replace our 1998 Stock Option Plan (the "1998 Plan"). The 2002 Plan was never implemented, however, and no options, shares or any other securities were issued or granted under the 2002 Plan. There were 90,000 shares of our common stock authorized for issuance under the 2002 Plan. On June 30, 2003 and July 21, 2003, respectively, the Board and a majority of our stockholders terminated both the 1998 Plan and the 2002 Plan and approved our 2003 Stock Plan. The 15,000 shares of common stock previously allocated to the 2002 Plan were re-allocated to the 2003 Stock Plan.

In April 2004, our stockholders and the Board approved an amendment to the 2003 Stock Plan to increase the aggregate number of shares available thereunder by 10,000 shares in order to have an adequate number of shares available for future grants. At our 2007 Annual Meeting, our stockholders approved an amendment that increased the aggregate number of shares available for issuance under the 2003 Stock Plan to 40,000 shares. At our 2008 Annual Meeting, our stockholders rejected an amendment that would have increased the number of shares available for issuance from 40,000 shares to 55,000 shares. At our 2009 Annual Meeting, our stockholders approved an amendment that increased the aggregate number of shares available for issuance under the 2003 Stock Plan by 30,000 shares, to 70,000 shares in the aggregate. At our 2012 Annual Meeting, our stockholders approved an amendment that increased the aggregate number of shares available for issuance under the 2003 Stock Plan by 100,000 shares, to 170,000 shares in the aggregate.

### **2014 Omnibus Equity Incentive Plan**

On January 7, 2014, our Board of Directors adopted the 2014 Omnibus Equity Incentive Plan (the "2014 Plan"), which authorizes the issuance of distribution equivalent rights, incentive stock options, non-qualified stock options, performance stock, performance units, restricted ordinary shares, restricted stock units, stock appreciation rights, tandem stock appreciation rights and unrestricted ordinary shares to our officers, employees, directors, consultants and advisors. The Company has reserved up to 300,000 shares of common stock for issuance under the 2014 Plan.

**RATIFICATION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
(Proposal No. 2)**

The Audit Committee has selected SingerLewak LLP to serve as our independent registered public accounting firm for fiscal 2018.

Although ratification is not required by our by-laws or otherwise, the Board is submitting the selection of SingerLewak LLP to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm. If our stockholders fail to ratify the selection, it will be considered as notice to the Board and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of SingerLewak LLP are expected to be present at the Annual Meeting via teleconference and they are expected to be available to respond to appropriate questions.

The shares represented by your proxy will be voted for the ratification of the selection of SingerLewak LLP unless you specify otherwise.

**Audit and Other Fees**

Each year, the Audit Committee approves the annual audit engagement in advance. The Audit Committee also has established procedures to pre-approve all non-audit services provided by the Company's independent registered public accounting firm. All fiscal 2017 and 2016 non-audit services listed below were pre-approved.

*Audit Fees:* This category includes the audit of our annual financial statements and review of financial statements included in our annual and periodic reports that are filed with the SEC. This category also includes services performed for the preparation of responses to SEC and NASDAQ correspondence, travel expenses for our auditors, on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, and the preparation of an annual "management letter" on internal control and other matters.

*Tax Fees:* This category consists of professional services rendered by our independent auditors for tax compliance.

We paid the following fees to our independent registered public accounting firm, BDO USA, LLP ("BDO") for work performed in fiscal 2017 and Anton & Chia for work performed in in fiscal 2016:

	<u>2017</u>	<u>2016</u>
Audit Fees	\$ 434,500	\$ 253,128
Audit-Related Fees	–	2,132
Tax Fees	25,950	6,000
All Other Fees	–	–
Total	<u>\$ 460,450</u>	<u>\$ 261,260</u>

**Attendance of Auditors at 2017 Annual Meeting**

Representatives of BDO are not expected to be present at the Annual Meeting.

**Vote Required**

The ratification of the Audit Committee's appointment of SingerLewak LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2018 will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent auditors.

***The Board recommends a vote FOR ratification of the Audit Committee's appointment of SingerLewak LLP as our independent registered public accounting firm for fiscal 2018.***

## OTHER MATTERS

As of the date of this Proxy Statement, the Board does not intend to present at the Annual Meeting any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to us will be voted in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with the judgment of the proxy holder.
